When vacancies occur in either house, the Governor, or persons exercising the powers of Governor, shall issue writs of election to fill such vacancies.

APPORTIONMENT—SENATORIAL.] Section 6. The General Assembly shall apportion the State every ten years, beginning with the year one thousand eight hundred and seventy-one, by dividing the population of the State, as ascertained by the federal census, by the number fifty-one and the quotient shall be the ratio of representation in the Senate. The State shall be divided into fifty-one senatorial districts, each of which shall elect one Senator, whose term of office shall be four years. The Senators elected in the year of our Lord one thousand eight hundred and seventy-two, in districts bearing odd numbers, shall vacate their offices at the end of two years, and those elected in districts bearing even numbers at the end of four years; and vacancies occurring by the expiration of term shall be filled by the election of Senators for the full term. Senatorial districts shall be formed of contiguous and compact territory, bounded by county lines, and contain as nearly as practicable an equal number of inhabitants; but no district shall contain less than four-fifths of the senatorial ratio. Said district shall be composed of contiguous territory, and in as compact form as can be for the convenience of the electors voting therein. The several county boards in establishing said districts, shall describe them by metes and bounds, and number them. And so often thereafter as it shall appear by the number of votes cast at the general election held in November of any year, that any election district or undivided election precinct contains more than four hundred and fifty (450) voters, the county board of the county in which said district or precinct may be, shall, at its regular meeting in the month of June or an adjourned meeting in the month of July, next, after such November election, redivide or readjust such election district, or election precinct, so that no district or election precinct shall contain more than the number of votes above specified. If, for any reason, said county board shall fail in any year to redivide or readjust said election districts or election precincts, then said districts or precincts as then existing, shall continue until the next regular June meeting of said county board; at which regular June meeting, or an adjourned meeting in the month of July, said county board shall redivide or readjust said election districts, or election precincts in manner as herein required. And on or before the first (1st) day of September, 1903, the county clerk in each county shall make a correct list of all election districts and election precincts into which the county is divided, designating each by its name or number, or name and number as the case may be, and forward said list to the Secretary of State; and, thereafter, when at any meeting of the county board any redivision, readjustment or change in name or number of election districts or election precincts, is made by the said county board, it shall be the

duty of the county clerk to immediately notify the Secretary of State of such redivision, readjustment or change. The county board in every case shall fix and establish the places for holding elections in its respective county, and all general and special elections, town meeting elections or town elections, shall be held at the places so fixed. The said polling places shall in all cases be upon the ground floor in the front room, the entrance to which is in a highway or public street, which is at least forty (40) feet wide, and is as near the center of the voting population of the district as is practicable, and for the convenience of the greatest number of electors to vote thereat; and in no case shall an election be held in any room used or occupied as a saloon, dram shop, bowling alley or as a place of resort for idlers and disreputable persons, billiard [billiard] hall, or in any room connected therewith by doors or hallways. No person shall be permitted to vote at any election, except in the district in which he resides: *Provided*, that the county board may, if it deem it for the best interest of the voters of any town or precinct, divide any election precinct which contains more than three hundred (300) legal voters, into two election precincts, said precincts to contain as near two hundred (200) voters as is possible: *Provided, further*, that it shall be the duty of the county board in each county where any State soldiers' and sailors' home or homes or any National home for disabled volunteer soldiers are located, the inhabitants of which are entitled to vote, to fix and establish the place or places for holding such election or elections, at some convenient and comfortable place or places easy of access on the ground or grounds, and within the enclosures where such State soldiers' and sailors' home or homes, or National home for disabled volunteer soldiers are located.

No more than two persons of the same political party shall be appointed judges of the same election district or undivided precinct. The appointment shall be made in the following manner: The members of said county board of commissioners who represent the political party having the greatest number of votes on said county board of commissioners, being less than the whole number, shall select (and the county board of commissioners shall appoint such selection when made) two persons, who are legal voters, as judges of election in each election precinct or district in said county which gave in the preceding general election in said election precinct or district the higher number of votes to said political party having the greatest number of votes upon said county board of commissioners, and shall also select one person, who is a legal voter, as judge of election in each of the other election precincts or districts in said county, which at the preceding general election gave in said election precinct or district, the second higher number of votes to said political party having the greatest number of votes on said county board of commissioners. The member of the county board of

commissioners who represents the political party having the next highest number of votes upon said county board of commissioners shall have the power and authority to select (and the county board of commissioners shall appoint such selection when made) two persons who are legal voters as judges of election in each election precinct or district, which at the preceding general election gave in said election precinct or district, the higher number of votes to said political party having the next highest number of votes upon said county board of commissioners and said member of the county board of commissioners representing said political party having the next highest number of votes upon said county board of commissioners shall also select, and the county board of commissioners shall appoint the said selection, when made, one person, who is a legal voter, as judge of election in each of the other election precincts or districts in said county. In case the three members of the county board of commissioners represent three different political parties, then in that case, the member of the county board of commissioners representing the political party casting the highest number of votes at the preceding general election in any election precinct or district shall select the two judges of election to serve in such election precinct or district, and the member of the county board of commissioners who may represent the political party casting the next highest number of votes at the preceding general election in any election precinct or district, shall select the one judge of election to serve in such election precinct or district: *Provided*, that if any county board of commissioners shall be composed of members who belong to any one political party entirely, then in that case the chairman of the county central committee of the political party casting the highest or next highest number of votes at the last preceding general election in each election precinct or district shall select the two judges of election, or the one judge of election, as the case may be, and the county board of commissioners shall appoint the said judge or judges of election so selected by the chairman of the above mentioned county central committee. Said election judges shall hold their office for one year from their appointment, and until their successors are duly appointed in the manner heretofore provided. The said county board of commissioners shall fill all vacancies in said office of judge of election at any time in the manner heretofore provided.

4. QUALIFICATIONS OF JUDGES.] [§ 31. Ch. 46, R. S.] Every person elected or chosen judge of election shall be of fair character, approved integrity, well informed, who can read, write and speak the English language, and has resided in the election district, in which he is to serve, for one year next preceding the election, and is entitled to vote therein at such election.

No more than two persons of the same political party

shall be appointed judges in the same election district or undivided precinct. The town supervisor shall be appointed as one of such judges of election in the district or precinct in which he resides. The appointment of the remaining judges of election in the various election precincts and districts shall be made in the following manner: The members of the county board of supervisors belonging to the political party having the greatest number of votes upon said county board of supervisors shall select (and the county board shall appoint the selection so made) the majority of the election judges in each election district or precinct in each township in which said political party cast the highest number of votes at the preceding general election for Governor, and shall also select (and the county board shall appoint the selection so made) the minority judge of election in each election district or precinct in each township in which said political party cast the second highest number of votes for Governor at the preceding general election. The members of the county board of supervisors belonging to the political party having the second greatest number of votes upon said county board of supervisors shall select (and the county board shall appoint the selection so made) the majority of the election judges in each election district or precinct in each township in which said political party cast the highest number of votes at the preceding general election for Governor, and shall also select (and the county board shall appoint the selection so made) the minority election judge in the election district or precinct in each township in which said political party cast the second highest number of votes at the preceding general election for Governor: *Provided*, that if the county board of supervisors shall be composed of members who belong to any one political party entirely, then, in that case, the chairman of the county central committee of the other political party casting the next highest number of votes in said county at the preceding general election is hereby empowered and authorized to make the selection of the minority judge of election, who shall serve in each of the election districts or precincts in said county, and the members of the county board of supervisors are hereby directed to make the appointment of said minority judges of election for each election district or precinct as selected by the chairman of the above mentioned county central committee: *And, provided, further*, that where the county board shall be equally divided and two political parties shall be represented by an equal number of members, the selection and appointment of such judges of election shall be made as in the case where there is a majority of members on the county board belonging to one political party. The members representing the political party casting the highest number of votes in a township at the preceding election for Governor shall select the majority judges of election in said township, and the members representing the political party that cast the second highest number of votes at the preceding election for Governor in said township, shall select the minority judges of election in said township, and the county board shall appoint the selection so made: *And, provided, further*, that where a supervisor shall be elected in a township, said supervisor representing a political party that neither has the highest nor second highest number of votes for members on the said county board, the said supervisor shall be authorized and empowered to select a majority of the

judges of election in the precincts or election districts in said township, such persons to represent the same political faith or belief as said supervisor, and the county board shall appoint the selection so made. The members of the county board representing the political party casting the second highest number of votes in said township at the preceding general election for Governor shall select the minority judges of election in said township and the county board shall appoint the selection so made: *Provided, further*, that in any case where a township has been or shall be redistricted, in whole or in part, subsequent to one general election for Governor, and prior to the next, the judges of election to be appointed for all new or altered precincts or districts shall be selected in that one of the methods above detailed, which shall be applicable according to the facts and circumstances of the particular case, but the majority of such judges for each such precinct or district shall be selected from the political party which cast the highest number of votes for Governor at the last preceding general election in the entire township, and the minority judge from the political party having cast the second greatest number of votes for Governor at such election. Such judges of election shall hold their office for one year from their appointment and until their successors are duly appointed in the manner hereinbefore provided. The said county board of supervisors shall fill all vacancies in said office of judges of elections at any time, in their [the] manner hereinbefore provided. [Amended by Act approved June 26, 1917.]

6. NOTICE OF APPOINTMENT.] [§ 34, Ch. 46, R. S.] Immediately on the appointment of such judges, the county clerk shall make out and deliver to the sheriff of the county, a notice thereof, directed to each person so appointed, and the sheriff shall, within twenty days after the receipt of such notices deliver the same to the several judges so appointed.

7. TERM OF OFFICE.] [§ 35, Ch. 46, R. S.] The judges so appointed shall be and continue judges of all general and special elections held within their respective precincts or districts until other judges shall be appointed in like manner.

8. VACANCIES FILLED.] [§ 36, Ch. 46, R. S.] If, at the time for the opening of any election, any person appointed or constituted a judge of election shall not be present, or will not act or take the oath to act in such capacity, the judge or judges present may appoint some other qualified elector to act in his place. If there be no judge of election present, or he refuses to act, such electors of the precinct or district as may then be present at the place of election, may fill the places of such judges by election from their number. The judges so appointed shall have the same power and be subject to the same penalties as other judges of election.

9. CLERKS OF ELECTION.] [§ 37, Ch. 46, R. S.] Each judge of election shall choose a person having the qualifications of a judge of election, to act as clerk of election, who may continue to act as such during the pleasure of the judge making such appointment.

10. OATH.] [§ 38, Ch. 46, R. S.] Previous to any vote being taken, the judges and clerks of the election shall severally subscribe and take an oath or affirmation in the following form, to-wit:

"I do solemnly swear (or affirm, as the case may be) that I will

support the Constitution of the United States and the Constitution of the State of Illinois, and that I will faithfully discharge the duties of the office of judge of election (or clerk, as the case may be) according to the best of my ability, and that I have resided in this election district for one year next preceding this election, and am entitled to vote at this election."

11. BY WHOM ADMINISTERED.] [§ 39, Ch. 46, R. S.] In case there shall be no judge or justice of the peace present at the opening of the election, or in case such judge or justice shall be appointed a judge or clerk of election, it shall be lawful for the judges of the election to administer the oath or affirmation to each other, and to the clerks of the election, and the person administering such oath or affirmation shall cause an entry thereof to be made and subscribed by him and prefixed to each poll book.

12. CONSTABLES—COUNTY BOARD OR JUDGES, MAY APPOINT.] [§ 43, Ch. 46, R. S.] The county board may appoint one or more constables to attend each place of holding elections and preserve order during the election; if no constable is appointed by the county board to attend any place of holding election, or if others shall be necessary to preserve order, the judges of election may appoint one or more constables for that purpose.

13. SPECIAL CONSTABLE.] [§ 44, Ch. 46, R. S.] The judges of election may appoint any suitable person to act as special constable during the election.

14. SUPPRESSION OF RIOT, ETC.—ARREST.] [§ 45, Ch. 46, R. S.] Any constable attending such election may call to his aid a sufficient number of citizens to arrest any disorderly person or suppress any riot or disorder during the election. Whoever conducts himself in a riotous or disorderly manner at any election, and persists in such conduct after being warned to desist, may be arrested without warrant.

ARTICLE III.

REGISTRATION OF ELECTORS.

1. BOARD OF REGISTRATION—MEETING—REGISTER.] [§ 135, Ch. 46, R. S.] The persons authorized by law or appointed pursuant to any town or city ordinance to act as judges or inspectors of elections in any town, city or ward or other election district or precinct in this State, shall constitute a board of registry for their respective towns, cities, wards, districts or precincts, and shall meet on Tuesday, three weeks preceding any State election, at nine o'clock A. M. and proceed to make a list, as hereinafter prescribed, of all persons qualified and entitled to vote at the ensuing election, in the election district of which they are judges or inspectors; which list, when completed, shall constitute and be known as the "register" of electors of said election district. In election districts in towns which lie wholly within the limits of an incorporated city, a "register" of electors shall be made for all elections whether general, special, local or municipal, in the same manner as herein provided in the case of State elections. In counties of the third class, as classified for the purpose of fixing fees and salaries, there shall be two general registration days; the first day of such registration being on the Saturday immediately preceding the Tuesday, four

weeks before such election, and the second day of registration being on Tuesday, three weeks before such election. [Amended by Act filed June 26, 1917.

2. MANNER OF MAKING REGISTER, ETC.—FIRST MEETING.] [§ 136, Ch. 46, R. S.] Said registers shall each contain a list of the persons so qualified and entitled to vote in said election district, alphabetically arranged according to their respective surnames, so as to show, in one column, the name in full length, and in another column in cities, the residence by the number of the dwelling, if there be a number, and the name of the street or other location of the dwelling place of each person. It shall be the duty of said board to enter in said list the names of all persons residing in their election district, whose names appear on the poll list kept in said district at the last preceding election—in cities the number of the dwelling and the name of the street or other location, if the same shall be known to or can be ascertained by such board—and for this purpose said board is authorized to take from the office in which they are filed the poll lists made and filed by the judges or inspectors of such district, at the election held next prior to the making of such register. In making said list, the board shall enter thereon in addition to the names on the poll lists, the names of all other persons who are well known to them to be electors in said district; and the names of all persons on the poll lists who have died or removed from the district shall be omitted from the register. The said board shall complete, as far as practicable, the said register on the day of its meeting aforesaid, and shall make two copies thereof, and certify the register and each of the copies to be a true list of the voters in said district, so far as the same are known. Within two days thereafter, the said original list, together with the list taken from the office, as aforesaid, shall be filed by said board in the office of the town clerk of the town to which said election district may be, but in counties not adopting township organization, said lists shall be filed with the judges or inspectors of election in the proper district, or, if such election district is in a city, then it shall be filed in the office of the city clerk of said city. And one copy of said list shall be kept by one of said judges or inspectors, and carefully preserved by him for use on the day or days hereinafter mentioned, for the revision and correction of the same. One copy of said list shall, immediately after its completion, be posted in some conspicuous place where the last preceding election in said district was held, and be accessible to any elector who may desire to examine the same or make copies thereof.

3. NEW ELECTION DISTRICTS.] [§ 137, Ch. 46, R. S.] In case a new election district shall be formed by the organization of a new town, or by the division of any town or ward, or the incorporation of a city or town, the judges or inspectors of election in the new district thus formed may make their registry of electors on the day prescribed by this Act, in such a manner as a majority of them may direct, and for that purpose may make a list, or cause to be made a certified copy of the poll list or lists of the district in which such new district is situated, or they may dispense with such list or lists and proceed to make a register of electors from the best means at their command. Said lists shall only embrace the names of such persons as are known to them to be electors in their

district, and shall be posted up and copies thereof made, as prescribed in the preceding section, and shall be corrected in the same manner that other lists are corrected.

4. REVISING REGISTER—SECOND MEETING.] [§ 138, Ch. 46, R. S.] The said board shall again meet on Tuesday of the week preceding the said elections, in their respective election districts, at the place designated for holding the polls of the election for the purpose of revising, correcting and completing said lists, and for this purpose in cities they shall meet at eight o'clock in the morning and remain in session until nine o'clock P. M., and in other districts they shall meet at nine o'clock in the morning and remain in session until four o'clock P. M.: *Provided*, that in counties of the third class, as classified for the purpose of fixing fees and salaries, the said board of registry shall meet for the purpose of revising, correcting and completing said lists, on Tuesday, three weeks before such election. [Amended by Act filed June 26, 1917.]

5. PROCEEDINGS OPEN—CORRECTIONS, ETC.] [§ 139, Ch. 46, R. S.] The proceedings of said board shall be open, and all persons residing and entitled to vote in said district shall be entitled to be heard by said board in relation to corrections or additions to said register. One of the lists so kept by the judges or inspectors as aforesaid, shall be used by them on the day or days of making corrections or additions, for the purpose of completing the registry for such district.

6. REVISING REGISTER—ADDITION OF NEW NAMES.] [§ 140, Ch. 46, R. S.] It shall be the duty of said board, at their meeting for revising and correcting said lists, to erase therefrom the name of any person inserted therein who shall be proved by the oath of two legal voters of said district, to the satisfaction of said board, to be non-resident of said district, or otherwise not entitled to vote in said district at the election then next to be held. Any elector residing in said district, and entitled to vote therein, may appear before said board and require his name to be recorded on said alphabetical list. Any person so requiring his name to be so entered on said list shall make the same statement as to the street and number thereof, and where he resides, required by the provisions of this Act of persons offering their votes at elections, and shall be subject to the same penalties for refusing to give such information or for falsely giving the same, and shall also be subject to challenge, either by the judges or inspectors, or either of them or by any other elector whose name appears on said alphabetical list; and the same oaths may be administered by the judges or inspectors as now provided in case of persons offering to vote at an election; and in case no challenge is made of any person requiring his name to be entered on said alphabetical list, or in case of challenge, if such person shall make oath that would entitle him to vote in case of challenge at an election, then the name of any such person shall be added to the alphabetical poll list of the last preceding year.

7. COPIES OF REGISTER—FILING—DELIVERY TO JUDGES—VOTING—SWEARING IN VOTE, ETC.] [§ 141, Ch. 46, R. S.] After said lists shall have been fully completed, the said board shall, within three days thereafter, cause two copies of the same to be made, each of which shall be certified by them to be a correct list of the voters of their

district, one of which shall be filed in the office of the town clerk of towns, and in the office of city clerks of cities, and one of which copies shall be delivered to said judges or inspectors. It shall be the duty of the said judges or inspectors so receiving such list, carefully to preserve the said list for their use on election day, and to designate two of their number, at the opening of the polls, to check the name of every voter voting in such district whose name is on the register. No vote shall be received at any State election in this State if the name of the person offering to vote be not on the said register made on the Tuesday preceding the election, unless the person offering to vote shall furnish to the judges of the election his affidavit, in writing, stating therein that he is an inhabitant of said district and entitled to vote therein at such election, and prove by the oath of a householder and registered voter of the district in which he offers to vote that he knows such person to be an inhabitant of the district, and, if in any city, giving the residence of such person within said district. The oath may be administered by one of the judges or inspectors of the election, at the poll where the vote shall be offered, or by any other person authorized to administer oaths, but no person shall be authorized to receive compensation for administering the oath. Said oath shall be preserved and filed in the office of the town or city clerk, or in case there be no clerk, then said oath shall be filed with and preserved by the judges or inspectors of the proper district. Any person may be challenged, and the same oaths shall be put as now are or hereafter may be prescribed by law.

8. POLL LIST AND REGISTER TO BE FILED.] [§ 143, Ch. 46, R. S.] After the canvass of the votes, one of said poll lists and said register so kept and checked, as aforesaid, shall be attached together and shall be, on the following day, filed in the town or city clerk's office (as the case may be) in which said district may be, or in case there be no such clerk, then such poll lists and register shall be filed with and preserved by the judges or inspectors to be used by the board of registry in making the list of voters at the next State election; the other of the said poll lists and registers, so kept and checked, shall be returned to the office of the county clerk of the county in which said district may be, at the same time the returns of the election are made.

9. REGISTERS OPEN TO INSPECTION.] [§ 144, Ch. 46, R. S.] The registers shall at all times be open to public inspection, at the office of the authorities in which they shall be deposited, without charge.

10. PRESERVING ORDER.] [§ 146, Ch. 46, R. S.] The said board shall have and exercise the same power in preserving order at their meetings, under this Act, as are given to judges or inspectors of elections for preserving order on election days; and vacancies in said board shall be filled in the same manner that vacancies are now filled at elections.

11. BLANKS TO BE FURNISHED.] [§ 148, Ch. 46, R. S.] The necessary blanks for making the registers required by law shall be prepared by the Secretary of State, and transmitted to the persons entitled to receive them, in the same manner that blank returns of elections are now transmitted.

12. EXCEPTIONS.] This article does not apply to cities, villages and incorporated towns that have adopted an Act entitled, "An Act

regulating the holding of elections and declaring the result thereof in cities, villages and incorporated towns in this State," approved June 19, 1885.

ARTICLE IV.

COMPENSATION OF ELECTION OFFICERS.

1. JUDGES AND CLERKS.] [§ 63, Ch. 46, R. S.] All judges and clerks of election in counties of the first and second class shall be allowed the sum of six (\$6.00) dollars per day for their services, including all cities in such counties under the jurisdiction of a board of election commissioners, and for the day of election or for each primary judge or clerk of election shall only be credited with one day's service each; and judges and clerks of election in counties of the third class, shall be allowed the sum of six (\$6.00) dollars per day for their services, *provided*, that all judges and clerks of election in cities having a population of five hundred thousand inhabitants or over, shall be allowed the sum of seven (\$7.00) dollars for their services for each regular election and for each primary, and five (\$5.00) dollars for each registration and revision. [Amended by Act approved June 28, 1919.]

2. SPECIAL CONSTABLE.] [§ 44, Ch. 46, R. S.] Constables serving at elections, by appointment of the county board or of the judges of election, shall be paid out of the county treasury not exceeding two dollars for each day's services.

3. BOARD OF REGISTRATION.] [§ 145, Ch. 46, R. S.] Members of the board of registration shall each receive two dollars per day for each day actually employed, not exceeding two days, in the making and completion of the registry.

4. MODE OF PAYMENT.] [§§ 75 and 145, Ch. 46, R. S.] The county clerk, on receipt of the returns of any general or special election, shall make out his certificate, stating the compensation to which members of the board of registration and judges and clerks of election are entitled for their services, and lay the same before the county board at its next session; and said board shall order the compensation aforesaid to be paid out of the county treasury.

ARTICLE V.

NOMINATION OF CANDIDATES.

1. NOMINATION OF CANDIDATES.] [§ 290, Ch. 46, R. S.] Any convention of delegates and any caucus or meeting of qualified voters as hereinafter defined, and individual voters to the number and in the manner hereinafter specified, may nominate candidates for political office, whose names shall be placed upon the ballots to be furnished as hereinafter provided: *Provided*, that in any county, city, village or incorporated town, respectively, in which an Act entitled, "An Act providing for primary elections of delegates to nominating conventions of political parties or organizations, and to promote the purity thereof by regulating the conduct thereof, and to support the privileges of free suffrage thereat by prohibiting certain acts and practices in relation thereto, and providing for the punishment thereof," shall be in force, no candidate nominated by any convention of any political party or organization or any such county, city, village or incorporated

town or any part thereof, or for the Congress of the United States, shall have his name printed on any official ballot printed and distributed at the public expense in such county, city, village or incorporated town, or any part thereof, unless such candidate shall be nominated by a convention composed of delegates elected for that purpose at the primary election of such political party last preceding the holding of such convention, according to the Act entitled, "An Act providing for primary elections of delegates to nominating conventions of political parties or organizations and to promote the purity thereof by regulating the conduct thereof, and to support the privileges of free suffrage thereat by prohibiting certain acts and practices in relation thereto, and providing for the punishment thereof."

2. CAUCUS NOMINATIONS—CERTIFICATE AND REQUISITES.] [§ 291, Ch. 46, R. S.] Any convention of delegates, caucus or meeting representing a political party which at the general election next preceding polled at least two per cent of the entire vote cast in the State, or in the electoral district or division thereof, or the municipality for which the nomination is made, may for the State, or for the electoral district or division thereof, or municipality for which the convention, caucus or meeting is held, as the case may be, by causing a certificate of nomination to be duly filed, make one such nomination for each office therein to be filled at the election. Every such certificate of nomination shall state such facts as are required in section 4 of this Article, and shall be signed by the presiding officer and by the secretary of the convention, caucus or meeting, who shall add to their signatures their places of residence. Such certificates shall be sworn to by them to be true to the best of their knowledge and belief, and a certificate of the oath shall be annexed to the certificate of nomination.

3. NOMINATIONS BY PETITIONS—SIGNATURES.] [§ 292, Ch. 46, R. S.] Nominations of candidates for any office to be filled by the voters of the State at large may also be made by nomination papers signed in the aggregate for each candidate by not less than 1,000 qualified voters of the State. Nominations of candidates for office within any district or political division less than the State, and in all cities having a population in excess of 5,000, may be made by nomination papers signed in the aggregate for each candidate by qualified voters of such district or political division, not less than one for each fifty persons who voted at the next preceding general election in such district or division, but in no case by less than twenty-five. In elections to be held in a town, village, precinct or ward, and in all cities with a population not exceeding 5,000, the signatures of voters thereof equaling 5 per cent of the vote cast therein at the last preceding election shall be sufficient for the nomination of a candidate who is to be voted for only in such town, village, precinct, ward or city. Each voter signing a nomination paper shall add to his signature his place of residence, and each voter may subscribe to one nomination for each office to be filled, and no more; *Provided*, that the name of any candidate whose name may appear in any other place upon the ballot, shall not be so added by petition for the same office.

3a. NOMINATIONS BY PETITION—REQUISITES.] [§ 292a, Ch. 46, R. S.] All petitions for nomination of candidates for public office in

this State shall, in addition to other requirements provided by law, be as follows: Such petitions shall consist of sheets of uniform size and each sheet shall contain, above the space for signatures, an appropriate heading, giving the information as to name of candidate or candidates, in whose behalf such petition is signed; the office, the party or political principle, place of residence and such other information or wording as required to make same valid, and the heading of each sheet shall be the same. Such petition shall be signed by the qualified voters in their own proper persons only, and opposite the signature of each signer his residence address shall be written (and if a resident of a city having a population of over 10,000 by the then last preceding Federal census, the street and number of such residence shall be given). No signature shall be valid or be counted in considering the validity or sufficiency of such petition unless the requirements of this section are complied with. At the bottom of each sheet of such petition shall be added a statement, signed by an adult resident of the political division for which the candidate is nominated, stating his residence address (and if a resident of a city having a population of over 10,000 by the then last preceding Federal census, also stating the street and number of such residence), certifying that the signatures on that sheet of said petition were signed in his presence and are genuine; and that to the best of his knowledge and belief the persons so signing were at the time of signing said petition qualified voters (and in cities, villages and incorporated towns in which voters are or may be required to be registered, that they were also at the time of signing said petition duly registered voters) of the political division for which the candidate is nominated, and that their respective residences are correctly stated therein. Such statement shall be sworn to before some officer of the county in which the person making such statement resides, authorized to administer oaths therein. Such sheets, before being filed, shall be neatly fastened together in book form, by placing the sheets in a pile and fastening them together at one edge in a secure and suitable manner, and the sheets shall then be numbered consecutively. The sheets shall not be fastened by pasting them together end to end, so as to form a continuous strip or roll. Said petition, when filed, shall not be withdrawn or added to, and no signature shall be revoked except by revocation filed in writing with the clerk with whom the petition is required to be filed, and before the filing of such petition. Whoever, in making the sworn statement above prescribed, shall knowingly, wilfully and corruptly swear falsely, shall be deemed guilty of perjury and on conviction thereof shall be punished accordingly. Whoever forges any name of a signer upon any petition shall be deemed guilty of forgery, and on conviction thereof, shall be punished accordingly. The word "petition" or "petition for nomination," as used herein, shall mean what is sometimes known as nomination papers, in distinction to what is known as a certificate of nomination. The words "political division for which the candidate is nominated," or its equivalent, shall mean the largest political division in which all qualified voters may vote upon such candidate, as the State in the case of State officers; the town in the case of town officers, *et cetera: Provided, further*, that any person who has already voted at a primary election held to nominate a candidate or candidates for any office or offices, to be voted upon at any

certain election, shall not be qualified to sign a petition of nomination for a candidate or candidates for the same office or offices, to be voted upon at the same certain election.

4. NOMINATION PAPERS—REQUISITES.] [§ 293, Ch. 46, R. S.] All certificates of nomination or nomination papers shall, besides containing the names of candidates, specify as to each:

1. The office to which he is nominated.
2. The party or political principle which he represents, expressed in not more than five (5) words.

3. His place of residence, with the street and number thereof, if any. In the case of electors for President and Vice-President of the United States, the names of the candidates for President and Vice-President may be added to the party or political appellation.

5. CERTIFICATE TO BE FILED.] [§ 294, Ch. 46, R. S.] Certificates of nomination and nomination papers for the nomination of candidates for offices to be filled by the electors of the entire State, or any division or district greater than a county, shall be filed with the Secretary of State at least thirty days previous to the day of election for which the candidates are nominated. All other certificates for the nomination of candidates shall be filed with the county clerk of the respective counties at least thirty days previous to the day of such election: *Provided*, that certificates of nomination and nomination papers for the nomination of candidates for the offices in cities, villages and incorporated towns, and for town offices in counties under township organization shall be filed with the clerks of the towns, cities, villages and incorporated towns at least fifteen days previous to the day of such election: *Provided*, that in cities having a population of 500,000 or more that certificates of nomination and nomination papers for the nomination of candidates for the offices in such cities shall be filed with the city clerk of such cities at least twenty-five days previous to the day of such election.

6. WITHDRAWAL OF NOMINATIONS.] [§ 295, Ch. 46, R. S.] Any person whose name has been presented as a candidate or who has been nominated by more than one convention, caucus or meeting of qualified voters, may cause his name to be withdrawn from any such nomination by his request in writing, signed by him and duly acknowledged before an officer qualified to take acknowledgement of deeds, and file with the Secretary of State not less than twenty-five (25) days, or with the proper clerk not less than thirteen (13) days previous to the day of election, and no name so withdrawn shall be printed upon the ballots under the party appellation or title from which the candidate has withdrawn his name. In case the certificate of nomination or petition as provided for in this Act shall contain or exhibit the name of any candidate for any office upon more than one of said certificates or petitions (for the same office), then, and in that case the Secretary of State or county clerk, as the case may be, shall immediately notify said candidate of said fact, and that his name appears unlawfully upon more than one of said certificates or petitions, and that within three (3) days from the receipt of said notification, said candidate must elect as to which of said political party appellations or groups he desires his name to appear and remain under upon said ballot, and if said candidate refuses, fails or neglects to comply with the provisions herein, then, and

in that case, the Secretary of State or county clerk, as the case may be, shall not permit the name of said candidate to appear, or be printed or placed upon said ballot under any or either of said political party appellations or groups. All certificates of nomination and nomination papers, when filed, shall be open and, under proper regulation, to public inspection, and the Secretary of State and the several clerks having charge of nomination papers shall preserve the same in their respective offices not less than six months.

7. DEATH OR DECLINATION OF CANDIDATE—VACANCY.] [§ 296, Ch. 46, R. S.] In case a candidate who has been duly nominated under the provisions of this article dies before election day, or declines the nomination, as in this article provided, or should any certificate of nomination be held insufficient or inoperative by the officer with whom they may be filed, the vacancy or vacancies thus occasioned may be filled by the political party, or other persons making the original nominations, or, if the time is insufficient therefor, then the vacancy may be filled, if the nomination was by convention or caucus in such manner as the convention or caucus had previously provided, or, in case of no such previous provision, then by a regularly elected general or executive committee representing the political party or persons holding such convention, meeting or caucus. The certificates of nomination made to supply such vacancy shall state, in addition to the other facts required by section four of this article, the name of the original nominee, the date of his death or declination of nomination, or the fact that the former nomination has been held insufficient or inoperative, and the measures taken in accordance with the above requirements for filling a vacancy, and it shall be signed and sworn to by the presiding officer and secretary of the convention, or caucus, or by the chairman and secretary of the duly authorized committee, as the case may be.

8. CERTIFICATES OF NOMINATION—OBJECTIONS.] [§ 297, Ch. 46, R. S.] The certificates of nomination and nomination papers being so filed and being in apparent conformity with the provisions of this article shall be deemed to be valid, unless objection thereto is duly made in writing. Such objections or other questions arising in relation thereto, in the case of nomination of State officers, shall be considered by the Secretary of State and the Auditor and Attorney General, and a decision of the majority of these officers shall be final. Such objections or questions arising in the case of nominations for officers to be elected by the voters of a division less than the State and greater than a county, shall be considered by the county judges of the counties embraced in such division, and the decision of a majority of these officers shall be final. Such objections or questions arising in the case of nominations of candidates for county offices shall be considered by the county judge, county clerk, and State's attorney for such county, and the decision of a majority of said officers shall be final. Objections or questions arising in the case of nominations of city, town or village officers shall be considered by the mayor or president of the board of trustees, and the city, town or village clerk, with whom one alderman or trustee thereof, as the case may be, chosen by lot, shall act, and the decision of a majority of such officers shall be final. Such objections arising in the case of nominations of town officers shall be considered

by the board of auditors of such town, and the decision of a majority of such auditors shall be final. In any case, where such objection is made, notice shall forthwith be given to the candidates affected thereby, addressed to their places of residence as given in the nomination papers, and stating the time and place, when and where such objections will be considered: *Provided*, that in cities, towns or villages having a board of election commissioners, such questions shall be considered by such board, and its decision shall be final.

9. NOMINATIONS TO FILL VACANCIES.] [§ 298, Ch. 46, R. S.] When such certificate is filed with the Secretary of State, he shall, in certifying nominations to the various clerks, insert the name of the person who has been thus nominated to fill a vacancy in place of the original nominee, and in the event that he has already sent forward his certificate, he shall forthwith certify to the clerks of the proper counties the name and description of the person so nominated to fill a vacancy, the office he is nominated for, with the other details mentioned in certificates of nominations filed with the Secretary of State, and in cases where such clerk is not charged by this Act, with the printing of the ballots, he shall immediately certify the name so supplied to the authorities charged with the printing of the ballots. The names so supplied for the vacancy shall, if the ballots are not already printed, be placed on the ballots in place of the name of the original nominee, or if the ballots have been printed, new ballots, whenever practicable, shall be furnished.

10. PASTERS—STAMPING ON BALLOTS.] [§ 299, Ch. 46, R. S.] Whenever it may not be practicable to have new ballots printed, it shall be the duty of the election officer having charge of the ballots, to place the name supplied for the vacancy upon each ballot issued before delivering it to the voter; the name so supplied may be placed upon the ballots either by affixing a paster or by writing or stamping the name on the ballot; and to enable this to be done the officer with whom the certificates of nomination are to be filed shall immediately furnish the name of such substituted nominee to all judges of election within the territory in which such nominee may be a candidate.

11. NOTICE TO COUNTY CLERK.] [§ 300, Ch. 46, R. S.] Not less than fifteen days before an election to fill any public office, the Secretary of State shall certify to the county clerk of each county within which any of the electors may by law vote for candidates for such office, the name and description of each person nominated for such office, as specified in the certificates of nomination filed with the Secretary of State.

ARTICLE VI.

[Amended by Act approved March 26, 1919.]

7. MANNER OF PREPARING BALLOT.] [§ 310, Ch. 46, R. S.] On receipt of his ballot the voter shall forthwith, and without leaving the enclosed space, retire alone to one of the voting booths so provided and shall prepare his ballot by making in the appropriate margin or place a cross (X) opposite the name of the candidate of his choice for each office to be filled, or by writing in the name of the candidate of his choice in a blank space on said ticket, making a cross (X) opposite thereto; and in case of a question submitted to the vote of the people, by making in the appropriate margin or place a cross (X) against the answer he desires to give: *Provided, however*, if he shall desire to vote for all of the candidates of one political party or group of petitioners, he may place such mark at the appropriate place preceding the appellation or title under which the names of the candidates of such party or group of petitioners are printed, and the ballot so marked shall be counted as cast for all of the candidates named under that title: *Provided, further*, that the voter may place such mark at the appropriate place preceding the appellation or title of one party or group of petitioners and may also mark, at the appropriate place preceding the name or names of one or more candidates printed under the appellation or title of some other party or group of petitioners, and a ballot so marked shall be counted as cast for all the candidates named under the appellation or title which has been so marked, except as to the officers as to which he has placed such mark preceding the name or names of some other candidate or candidates printed under the title of some other party or group of petitioners, and as to such it shall be counted as cast for the candidate or candidates preceding whose name or names such mark may have been placed. Before leaving the voting booth, the voter shall fold his ballot in such manner as to conceal the marks thereon. He shall then vote forthwith in the manner now provided by law, except that the number corresponding to the number of the voter on the poll books shall not be endorsed on the back of his ballot. He shall mark and deposit his ballot without undue delay, and shall quit said enclosed space as soon as he has voted. No voter shall be allowed to occupy a voting booth already occupied by another, nor remain within said enclosed space more than ten minutes, nor to occupy a voting booth more than five minutes, in case all of said voting booths are in use and other voters waiting to occupy the same. No voter, not an election officer, shall, after having voted, be allowed to re-enter said enclosed space during said election. No person shall take or remove any ballot from the polling place before the close of the polls.

No voter shall vote or offer to vote any ballot except such as he has received from the judges of election in charge of the ballots. Any voter who shall, by accident or mistake, spoil his ballot, may, on returning said spoiled ballot, receive another in place thereof.

8. ASSISTANCE TO ILLITERATE VOTERS.] [§ 311, Ch. 46, R. S.] Any voter who may declare upon oath that he can not read the English language, or that by reason of any physical disability, he is unable to mark his ballot, shall, upon request, be assisted in marking his ballot by two of the election officers, of different political parties, to be selected from the judges and clerks of the precinct in which they are to act, to be designated by the judges of election of each precinct at the opening of the polls. Such officers shall mark the ballot as directed by the voter, and shall thereafter give no information regarding the same. The clerks of election shall enter upon the poll lists after the name of any elector who received such assistance in marking his ballot a memorandum of the fact. Intoxication shall not be regarded as a physical disability, and no intoxicated person shall be entitled to assistance in marking his ballot.

9. CUMULATIVE VOTES—HOW VOTED.] [§ 304, Ch. 46, R. S.] No number of votes shall be printed on any ballot after the name of any candidate for representative in the General Assembly. In canvassing the vote for representative in the General Assembly, the ballots shall be counted in the manner following:

First—Where the names of three candidates for representatives in the General Assembly are printed under one party appellation or title and a cross, thus, X, is placed at the appropriate place preceding such party appellation or title and the ballot is not otherwise marked for representatives in the General Assembly, it shall be counted one vote for each of said candidates.

Second—Where the names of two candidates for representatives in the General Assembly are printed under one party appellation or title and a cross, thus, X, is placed at the appropriate place preceding such party appellation or title, and the ballot is not otherwise marked for representatives in the General Assembly, it shall be counted one and one-half votes for each of said candidates.

Third—Where the name of but one candidate for representative in the General Assembly is printed under one party appellation or title and a cross, thus, X, is placed at the appropriate place preceding such party appellation or title and the ballot is not otherwise marked for representatives in the General Assembly, it shall be counted three votes for said candidate.

Fourth—Whether a cross, thus, X, is placed at the appropriate place preceding any party appellation or title, or not, whenever a cross is placed in the square preceding the name of any one candidate for representative in the General Assembly and the ballot is not otherwise marked, the ballot shall be counted three votes for said candidate; where a cross is placed in the squares preceding the names of any two candidates for representatives in the General Assembly and the ballot is not otherwise marked, the ballot shall be counted one and one-half votes for each of said two candidates; where a cross is placed in the squares preceding the names of any three candidates for representatives

in the General Assembly and the ballot is not otherwise marked, the ballot shall be counted one vote for each of said three candidates.

Fifth—Where the voter has indicated his intention by lawful marking of his ballot to divide his votes among the candidates in any manner other than as specified in the foregoing sections, it shall be counted for such candidates according to the intention of the voter as disclosed by the marking of the ballot.

Sixth—If the ballot has been so marked as to indicate an intention to cast more than three votes for representatives in the General Assembly, such ballot shall not be counted for any of such candidates.

10. BALLOTS NOT COUNTED—SPOILED BALLOTS.] [§ 313, Ch. 46, R. S.] If the voter marks more names than there are persons to be elected to an office, or if for any reason it is impossible to determine the voter's choice for any office to be filled, his ballot shall not be counted for such office. No ballot without the official endorsement shall be allowed to be deposited in the ballot box, and none but ballots provided in accordance with the provisions of this Act shall be counted. Ballots not counted shall be marked "defective" on the back thereof, and ballots to which objection has been made by either of the judges or challengers shall be marked "objected to" on the back thereof, and a memorandum, signed by the judges, stating how it was counted, shall be written upon the back of each ballot so marked and all ballots marked "defective" or "objected to" shall be enclosed in an envelope, securely sealed and so marked and endorsed as to clearly disclose its contents. All ballots not voted, and all that have been spoiled by voters while attempting to vote, shall be returned by the judges of election to the officer or authorities charged with the printing and distribution of the ballots, and a receipt taken therefor, and shall be preserved six months; such officer shall keep a record of the number of ballots delivered for each polling place, the name of the person to whom and the time when delivered, and he shall also enter upon such record the number and character of ballots returned, with the time when and the person by whom they are returned.

11. CANVASS OF BALLOTS.] [§ 57, Ch. 46, R. S.] Immediately upon closing the polls, the judges shall proceed to canvass the votes polled. They shall first count the whole number of ballots in the box. If two or more ballots are folded together, so as to appear to have been cast by the same person, and the number of ballots exceeds the number of names entered on each of the poll lists the ballots so folded together shall be rejected, and if the number of ballots still exceeds the number of names entered upon each of the poll lists, said ballots shall be replaced in the ballot box and the box closed and well shaken and again opened, and one of the judges shall publicly draw out and destroy so many ballots unopened as shall be equal to such excess; and the number of the ballots agreeing with the poll lists, or being made to agree, the board shall then proceed to count and estimate and publish the votes; and when the judges of election shall open and read the tickets, each clerk shall carefully and correctly mark down upon the tally list the votes each candidate has received, in a separate column prepared for that purpose, with the name of such candidate at the head of such column, and the office designated by the votes such candidate shall fill.

The vote shall be canvassed in the room or place where the election is held, and the judges shall not allow the ballot box, or any of the ballots, or either of the poll lists, or either of the tally papers, to be removed or carried away from such room or place until the canvass of the votes is completed and the returns carefully enveloped and sealed, as provided by law.

11a. "STRAIGHT TICKETS," HOW TALLIED—SPLIT TICKETS, ETC.] [§ 323b, Ch. 46, R. S.] That hereafter at all general and special elections and primary elections held in this State, where the law shall provide that the clerks shall tally the votes received by candidates at such election, it shall not be necessary for the clerks of such election to mark upon the tally sheets kept by them, separate marks or tallies for each vote received by the candidates upon the ballots containing the same names, commonly known and hereafter in this Act designated as "straight tickets." But when the judges shall have counted and announced to the clerks, as near as may be as now or hereafter provided by law, the number of votes received by each set of candidates upon such "straight tickets," the clerks shall set such number of votes down in figures, opposite the names of the respective candidates, in a column provided for that purpose upon the tally sheets; which column shall immediately adjoin upon the left the space reserved for the tallies, and which shall be of convenient width and shall be headed, "Number of votes received upon 'straight tickets.'" The judges shall then proceed to count and announce the votes received by each candidate upon all ballots other than "straight tickets," including all ballots known as "split tickets," and all ballots known as "scratched tickets," and the clerks shall proceed to tally the same upon the tally sheets, and to compare and announce the result thereof; which counting, announcing and tallying shall be conducted as now or hereafter provided by law. The clerks shall set down, in figures, the number of votes received by each candidate on ballots other than "straight tickets," as so ascertained and announced, in a column provided for that purpose upon the tally sheets, immediately adjoining on the right the space reserved for the tallies, which column shall be of convenient width, and shall be headed "Number of votes received upon ballots other than 'straight tickets.'" The clerks shall then proceed to add together the number of votes received by each candidate, as shown in the column containing the straight votes and the number as shown in the column containing the votes other than straight votes; which result will show the total number of votes received by each candidate; and after comparing their results and finding that the same agree and are correct, they shall set down the same, in figures, in a column provided upon the tally sheets for that purpose, on the extreme right hand side thereof, which shall be of convenient width and shall be headed "total number of votes." Whereupon one of the clerks shall announce in a loud voice to the judges the total number of voted [votes] received by and counted for each candidate.

11b. REPEAL—INTENT OF ACT.] [§ 323c, Ch. 46, R. S.] All laws and parts of laws in conflict herewith are hereby repealed. Nothing in this Act contained shall be construed to authorize or permit the canvassing, counting or tallying ballots with any less degree of strictness than now required by law; the intention of this Act being to

dispense with the individual tally marks only so far as the so-called "straight-tickets" are concerned; and all other operations of tallying, counting and canvassing and announcing the votes shall proceed as near as may be in accordance with the laws now or hereafter provided therefor.

12. CANVASS OF VOTES—PROCLAMATION—BALLOTS DESTROYED.] [§ 314, Ch. 46, R. S.] *When the canvass of the ballots shall have been completed, as now provided by law, the clerks shall announce to the judges the total number of votes received by each candidate; each judge of the election shall proclaim in a loud voice the total number of votes received by each of the persons voted for and the office for which he is designated, and the number of votes for and the number of votes against any proposition which shall have been submitted to a vote of the people; such proclamation shall be *prima facie* evidence of the result of such canvass of the ballots. Immediately after making such proclamation, and before separating, the judges shall fold in two folds, and string closely upon a single piece of flexible wire, all ballots which have been counted by them, except those marked "objected to," unite the ends of such wire in a firm knot, seal the knot in such manner that it cannot be untied without breaking the seal, enclose the ballots so strung in a secure canvas covering and securely tie and seal such canvas covering with official wax impression seals, to be provided by the judges, in such manner that it cannot be opened without breaking the seals, and return said ballots, together with the package containing the ballots marked "defective" or "objected to" in such sealed canvas covering to the proper clerk or to the board of election commissioners, as the case may be, and such officer shall carefully preserve said ballots for six months, at the expiration of that time shall destroy them by burning without previously opening the packages. Such ballots shall be destroyed in the presence of the official custodian thereof and two electors of approved integrity and good repute and members respectively of the two leading political parties. The said electors shall be designated by the county judge of the county in which such ballots are kept: *Provided*, that if any contest of the election of any officer voted for at such election shall be pending at the expiration of said time, the said ballots shall not be destroyed until such contest is finally determined. In all cases of contested elections the parties contesting the same shall have the right to have said ballots opened and to have all errors of the judges in counting or refusing to count any ballot corrected by the court or body trying such contest, but such ballots shall be opened only in open court or in open session of such body and in the presence of the officer having the custody thereof.

12a. USED AND UNUSED BALLOTS—SALE OF.] [§ 59, Ch. 46, R. S.] All the ballots counted by the judges of election shall, after being read, be strung upon a strong thread or twine, in the order in which they have been read, and shall then be carefully enveloped and sealed up by the judges, who shall direct the same to the officer to whom by law they are required to return the poll books, and shall be delivered, together with the poll books, to such officer, who shall carefully preserve said ballots for six (6) months, and at the expiration of that time said

* Destroying of ballots is superseded by 12a which provides that said ballots be sold.

[Amended by Act approved June 22, 1917.]

13. FORM OF RETURN.] [§ 61, Ch. 46, R. S.] When the votes shall have been examined and counted, the clerks shall set down in their poll-books the name of every person voted for, written at full length, the office for which such person received such votes, and the number he did receive, the number being expressed in words, at full length; such entry to be made, as nearly as circumstances will admit, in the following form, to-wit:

If the question of using a voting machine or voting machines be not submitted to the voters by the proper public officials, a petition, signed by ten per cent of the voters of any city, village, incorporated town, county, precinct, election district or other civil division of the State and addressed to them at least sixty days before any general election asking the submission of the question of adopting a voting machine or voting machines, shall compel the submission of the question to the voters at that election. Use of such machines may be discontinued on resubmission of the question, and a vote in favor thereof at any subsequent election; *Provided, however,* that no such voting machine shall be used, purchased, leased or adopted until the board of voting machine commissioners hereinafter provided for, or a majority thereof, shall have made and filed a report certifying that they have examined such machine; that it affords each elector an opportunity to vote in absolute secrecy; that it enables each elector to vote a straight party ticket; that it enables each elector to vote a ticket selected in part from the nominees of one party, and in part from the nominees of any or all other parties, and in part from an independent nomination, and in part of persons not in nomination by any party or upon any independent ticket; that it

enables each elector to vote a written or printed ballot of his own selection, for any person for any office for which he may desire; that it enables each elector to vote for all candidates for whom he is entitled to vote, and prevents him from voting for any candidate for any office more than once, unless he is lawfully entitled to cast more than one vote for one candidate; and in that event permits him to cast only as many votes for that candidate as he is by law entitled, and no more; that it prevents the elector from voting for more than one person for the same office, unless he is lawfully entitled to vote for more than one person therefor, and in that event permits him to vote for as many persons for that office as he is by law entitled, and no more; and that such machine will register correctly by means of exact counters every vote cast for the regular tickets thereon; and has the capacity to contain the tickets of seven political parties with the names of all the candidates thereon, together with all propositions to be voted upon, except that it may be so constructed that the names of all candidates for Presidential Electors will not occur thereon, but in lieu thereof, one ballot label in each party column or row shall contain only the words "Presidential Electors," preceded by the party name; that all votes cast on the machine on a regular ballot or ballots shall be registered; that voters may, by means of irregular ballots or otherwise, vote for any person for any office, although such person may not have been nominated by any party and his name may not appear on such machine; then when a vote is cast for any person for any such office, when his name does not appear on the machine, the elector cannot vote for any name on the machine for the same office; that each elector can understandingly and within the period of one minute cast his vote for all candidates of his choice; that in case the machine is so constructed that the candidates for Presidential Electors of any party can be voted for only by voting for the ballot label containing the words "Presidential Electors," by voting an irregular ticket as hereinafter defined, the elector may vote for any person or persons he may choose for Presidential Electors; that the machine is provided with a lock or locks by the use of which any movement of the voting or registering mechanism is absolutely prevented so that it cannot be tampered with or manipulated for any fraudulent purpose; that the machine is susceptible of being closed during the progress of the voting so that no person can see or know the number of votes registered for any candidate: *Provided*, also, that no such machine or machines shall be purchased, unless the party or parties making the sale shall guarantee in writing to keep the machine or machines in good working order for five years without additional cost, and shall give a sufficient bond conditional to that effect.

2. MACHINE MUST MEET ALL REQUIREMENTS SPECIFIED.] [§ 431, Ch. 46, R. S.] The voting machine or machines to be used, adopted, leased or purchased as herein provided, must be so constructed as to meet all requirements specified in this Act.

3. BOARD OF VOTING MACHINE COMMISSIONERS—TERM OF OFFICE—EXAMINATION OF MACHINE—REPORT—APPROVAL—COMPENSATION.] [§432, Ch. 46, R. S.] The Secretary of State and two persons appointed by the Governor, who shall be mechanical experts and not members of the same political party, shall constitute a board of voting machine

commissioners. Their term of office shall be four years, except that the commissioners, appointed by the Governor shall be subject to removal at his pleasure, and that any Secretary of State on surrendering the duties of his office shall be succeeded on the board by the succeeding Secretary of State. If the office of Secretary of State for any reason shall become vacant, the Attorney General of the State shall be a member of the board until the office of Secretary of State is filled. No member of the board shall have any interest in any voting machine. Any person or corporation owning or being interested in any voting machine may apply to said board to examine such machine and report on its accuracy, efficiency, capacity and safety. The commissioners shall examine the machine and make full report thereon, in the office of the Secretary of State. They shall state in the report whether or not the kind of machine so examined complies with the requirements of this Act, and can be safely used by voters at elections under the conditions prescribed in this Act. If the report be in the affirmative upon said questions the machine shall be deemed approved by the board, and machines of its kind may be adopted for use at elections as herein provided. When the machine has been so approved any improvement or change that does not impair its accuracy, efficiency, capacity or safety shall not render necessary a re-examination or re-approval thereof. Any form of voting machine not so approved can not be used at any election. Each of the two mechanical experts on the board shall be entitled to one hundred dollars (\$100) for his compensation and expenses in making such examination and report, to be paid by the person or corporation applying for such examination, which sum may be demanded in advance of making the examination and which shall be the sole compensation to be received by any such expert. The board may, if it consents to do so, go to any point in the State for the purpose of examining a machine, but it shall not be compelled to make such examination at any place other than the capital of the State: *Provided*, that each of the two commissioners appointed as mechanical experts shall not receive and retain to exceed fifteen hundred dollars (\$1,500) and reasonable expenses in any one year, and all sums collected for such examinations, over and above said maximum salaries and reasonable expenses, shall be turned into the State treasury.

4. EXPERIMENTAL USE PERMITTED.] [§ 433, Ch. 46, R. S.] The authorities of any city, village, incorporated town, county, precinct, election district or other civil division authorized by section 1 of this Act to adopt a voting machine or voting machines, may provide for the experimental use, at any election or elections, in one or more election precincts, of a machine which it might lawfully adopt, without a formal adoption thereof, and its use at such elections shall be as valid for all purposes as if it had been lawfully adopted.

5. HOW PAYMENT FOR MACHINE MAY BE PROVIDED FOR.] [§ 434, Ch. 46, R. S.] The local authorities, on the adoption and lease or purchase of a voting machine or voting machines, may provide for the payment therefor in such manner as may be deemed for the best interest of the city, village, incorporated town or county. They may for that purpose make leases, issue bonds, certificates of indebtedness, or other obligations, which shall be a charge on the city, village, incorporated town or county. Such bonds, certificates or other obligations

may be issued with or without interest, payable at such time or times as the authorities may determine, but shall not be issued or sold at less than par.

6. ELECTION PRECINCTS IN WHICH MACHINES USED—NUMBER OF VOTERS—RE-DIVISION OF PRECINCTS.] [§ 435, Ch. 46, R. S.] For any election in any city, village, incorporated town, county, election district or other civil division in which voting machines are to be used, the election precinct in which such machines are to be used may be created by the officers charged with the duty of creating election precincts so as to contain as near as may be six hundred voters each. Such redistricting or redivision shall be made under such regulations as to time and manner as are now provided by law. Thereafter, so long as voting machines are used, no redivision of such election precincts shall be made until at some general election the number of votes cast in one or more of such precincts shall exceed seven hundred.

7. SUPPLYING PRECINCTS WITH MACHINE.] [§ 436, Ch. 46, R. S.] The local authorities adopting a voting machine or voting machines shall, as soon as practicable thereafter, provide for each polling place a voting machine in complete working order, and shall thereafter preserve and keep it in repair, and shall have the custody thereof, and of the furniture and equipment of the polling place when not in use at an election. If it shall be impracticable to supply each election precinct with a voting machine at the election following such adoption, as many may be supplied as it is practicable to procure and the same may be used in such election precinct or precincts within the city, village, incorporated town, county, election district or other civil division, as the officers adopting the same may direct.

8. HOW MACHINE SHALL BE PLACED IN ROOM—ONE MINUTE FOR VOTING.] [§ 437, Ch. 46, R. S.] The room in which the election is held shall have a railing separating the part of the room occupied by the judges and the clerks of election from that part of the room occupied by the voting machine. The exterior of the voting machine, and every part of the polling place shall be in plain view of the election officers. The voting machine shall be placed at least three feet from every wall and partition of the polling place, and at least four feet from any election officer or table used by them, and it shall be so placed that no person on the opposite side of the railing can see or determine from the outside of the room how the voter casts his vote. After the opening of the polls, the election judges shall allow no person to pass within the railing to the part of the room where the machine is situated, except for the purpose of voting, except as is provided in the next succeeding section of this Act; and they shall not permit more than one voter at a time to be in such part of the room. They shall not themselves remain, or permit any other person to remain in any position, or near any position, that would permit one to see or ascertain how a voter votes, or how he has voted. No voter shall remain within the voting booth or compartment longer than one minute, and if any voter shall refuse to leave after the lapse of that time, he shall at once be removed by the election officers, or upon their order.

9. WHERE VOTER CAN NOT READ OR IS UNABLE TO USE MACHINE—INTOXICATED PERSON.] [§ 438, Ch. 46, R. S.] Any voter who may declare upon oath that he can not read the English language, or that

by reason of physical disability he is unable to use the voting machine, shall, upon request, be assisted by two of the election officers of different parties, to be selected from the judges and clerks of the precinct in which they are to act, to be designated by the judges of election at the opening of the polls. Such officers, in the voter's presence and in the presence of each other, shall register his vote upon the machine for the candidates of his choice, and shall thereafter give no information regarding the same. The clerks of election shall enter upon the poll list after the name of any elector who received such assistance in registering his vote, a memorandum of the fact. Intoxication shall not be regarded as a physical disability, and no intoxicated person shall be entitled to assistance in registering his vote.

10. WHERE VOTER ASKS FOR INSTRUCTION CONCERNING MANNER OF VOTING.] [§ 439, Ch. 46, R. S.] In case any elector after entering the voting machine booth shall ask for further instructions concerning the manner of voting, two judges of opposite political parties shall give such instructions to him; but no judge or other election officer, or person assisting an elector, shall in any manner request, suggest or seek to persuade, or induce any such elector to vote any particular ticket, or for any particular candidate, or for or against any particular amendment, question or proposition. After receiving such instructions, such elector shall vote as in the case of an unassisted voter.

11. BALLOT LABEL.] [§ 440, Ch. 46, R. S.] That portion of cardboard, paper or other material placed on the front of the machine and containing the names of the candidates, or a statement of the proposed constitutional amendment or other question or proposition to be voted on, shall be known in this Act as a ballot label. The ballot label shall be supplied by the official or officials charged by law with providing material for the holding of an election or elections, and shall be printed in black ink on clear white material of such size as will fit the machine, and in plain, clear type, as large as the space will reasonably permit. The party name or other designation shall be prefixed to the list of candidates of such party. The order of the lists of candidates of the several parties shall be arranged as is now provided by law, except that the lists may be placed in horizontal rows or vertical columns, which parties may, if desired, be divided into parallel and contiguous rows or columns, and except that where Presidential Electors are to be voted for at any election, and the machine to be used will not carry the names of all candidates for such electors, then there may be placed on the ballot label the words "Presidential Electors," under the name of each political party.

12. SAMPLE BALLOT LABEL.] [§ 441, Ch. 46, R. S.] The officers or board charged with the duty of providing ballots or ballot labels for any polling place shall provide therefor two sample ballot labels, which shall be arranged in the form of a diagram, showing the entire front of the voting machine as it will appear after the official ballot labels are arranged for voting on election day. Such sample ballot labels shall be displayed for public inspection at such polling place during the day preceding election day.

13. FOUR SETS OF BALLOT LABELS PROVIDED—DUTY OF OFFICERS IN PUTTING MACHINE IN ORDER, ETC.—DELIVERY OF MACHINE IN ROOM WHERE ELECTION IS HELD—DUTY OF JUDGES AND CLERKS.] [§ 442, Ch.

46, R. S.] Four sets of ballot labels for use in the voting machine shall be provided for each polling place for each election by the officer or officers now charged by law with the duty of furnishing such election precincts with ballots. In such manner shall be furnished, also, all other necessary material for the use of the voting machines. The same officer or officers shall, before the day of election, cause the proper ballot labels to be put upon each machine corresponding with the sample ballot labels herein provided for, and the machine in every way to be put in order, set and adjusted, ready for use in voting when delivered at the precinct; and for the purpose of so labeling the machine, putting in order, setting and adjusting the same they may employ one or more competent persons, and cause him or them to be paid in the same manner as other election officers are paid. And the same officer or officers shall cause the machine so labeled in order, set and adjusted, to be delivered at the voting precinct, together with all necessary furniture and appliances that go with the same, in the room where the election is to be held in the precinct, not later than 6:00 o'clock P. M. of the day preceding the election. After the delivery of the machine, and on the same day, the judges and clerks of election of the precinct may meet at said room, open the package containing the sample ballots, and, if necessary, the ballot labels, and see that the machine is correctly labeled, set and adjusted ready for use in voting; and if the same is not so labeled, set and adjusted and in order, they shall cause it to be done. On the morning of the election, the election officers shall meet in the said room at least one hour before the time for opening the polls. They shall see that the sample ballot labels and instruction cards are posted properly, and everything put in readiness for the voting at the hour of opening the polls. The officers shall compare ballot labels on the machine with the sample ballots, see that they are correct, examine and see that all the counters in the machine are set at naught or zero (0), and that the machine is otherwise in perfect order, and they shall not thereafter permit the counters to be operated or moved except by electors in voting, and they shall also see that all necessary arrangements and adjustments are made for voting irregular ballots on the machine.

14. IRREGULAR BALLOTS. [§ 443, Ch. 46, R. S.] Ballots voted for any person whose name does not appear on the ballot label on the machine as a candidate for office, are herein referred to as irregular ballots. In voting for Presidential Electors, a voter may vote an irregular ticket made up of the names of persons in nomination by different parties, or partially of the names of persons so in nomination and partially of persons not in nomination by any party. Such irregular ballots shall be deposited, written or affixed in or upon the receptacle or device provided on the machine for that purpose.

15. WITH CLOSE OF POLLS, MACHINE LOCKED AND COUNTING COMPARTMENT OPENED.] [§ 444, Ch. 46, R. S.] As soon as the polls are closed, the voting machine shall be locked against voting, and the counting compartment opened in the presence of all the judges and clerks of election, and all other persons who may be lawfully within the room, giving full view of the numbers announcing the votes cast for each candidate, and for and against the various constitutional amendments, questions or other propositions.

16. ASCERTAINING NUMBER OF VOTES—WRITTEN STATEMENTS TO

BE SIGNED BY ELECTION OFFICERS—IRREGULAR BALLOTS—MACHINE TO BE LOCKED FOR THIRTY DAYS.] [§ 445, Ch. 46, R. S.] The election officers shall then ascertain the number of votes which the candidates have received both on the machine and by the voting of irregular ballots, if any, and one of the judges shall publicly announce in a distinct voice the total vote for each candidate thus ascertained in the order of the offices as their titles are arranged on the ballot label. He shall then announce in the same manner the vote on each constitutional amendment, proposition or other question. Before leaving the room and before closing and locking the counting compartment, the election officers shall make and sign written statements or returns of such election, as now required by law. When irregular ballots have been voted, they shall be returned, preserved and finally destroyed as is now provided by law in the case of other election ballots. The written statements or returns so made, after having been properly signed, shall be distinctly and clearly read in the hearing of all persons present, and ample opportunity shall be given to compare the results so certified with the counters of the machine. After such comparison and correction, if any is made, the election officers shall then close the counting compartment and lock the same. Thereafter the machine shall remain locked for a period of at least thirty days, unless otherwise ordered by a court of competent jurisdiction.

17. KEYS TO BE RETURNED WITH WRITTEN STATEMENT.] [§ 446, Ch. 46, R. S.] When the machine is locked at the close of an election in the manner required by this Act, the judges shall place all keys of the machine on a single piece of flexible wire; unite the ends of such wire in a firm knot, label the same with the make and number of the machine and the precinct at which it was used at such election, and return such keys along with the written statements or returns of such election.

18. WHERE MACHINE SUPPLIED WITH RECORDING DEVICE.] [§ 447, Ch. 46, R. S.] A voting machine which possesses all the qualities required by this Act, may be supplied in addition with any recording device on which all the votes registered on the mechanical counters will be separately recorded. When a machine is supplied with such device, the same shall not be taken out or examined by the election officers who make the return [s] from the precinct, but such machine shall be locked with such device therein, and so remain for a period of at least thirty days, unless within that time the machine shall be ordered opened by some court of competent jurisdiction. At the end of thirty days, such device may be taken out, unless otherwise ordered by a court of competent jurisdiction.

19. PENALTY FOR PERSON TAMPERING WITH MACHINE.] [§ 448, Ch. 46, R. S.] Any person, not an election officer or other public officer, who shall tamper or attempt to tamper with such voting machine or voting machines, or in any way intentionally impair or attempt to impair its use, and any such person who shall be guilty of or shall attempt any dishonest practice upon any such machine, or with or by its use, shall be deemed guilty of a felony, and shall be punishable by a fine of from \$100 to \$1,000, or by imprisonment for a term of from one to five years, or by both fine and imprisonment.

20. PENALTY FOR OFFICIAL TAMPERING, ETC., WITH MACHINE.] [§ 449, Ch. 46, R. S.] Any clerk or judge of an election, or any other

public officer authorized to take part in the holding of an election or in preparing for an election, who, with intent to cause or permit any voting machine to fail to register correctly all votes cast thereon; who tampers with, or disarranges such machine in any way, or any part or appliance thereof, or who causes or consents to said machine being used for voting at any election with knowledge of the fact that the same is not in order, or not perfectly set and adjusted so that it will correctly register all votes cast thereon; or who, with the purpose of defrauding or deceiving any voter, or causing it to be doubtful for what ticket or candidate or candidates or proposition any vote is cast, or of causing it to appear on said machine that votes cast for one ticket, candidate or proposition, were cast for another ticket, candidate or proposition, removes, changes or mutilates any ballot label on said machine or any part thereof, or does any other thing intended to interfere with the validity of the election, shall be deemed guilty of a felony, and, upon conviction, shall be imprisoned in the State prison not less than one year nor more than ten years, to which may be added a fine not exceeding \$1,000.

21. PENALTY FOR NEGLECT OF DUTY BY PUBLIC OFFICER OR ELECTION OFFICER.] [§ 450, Ch. 46, R. S.] Any public officer, or any election officer upon whom any duty is imposed by this Act, and who shall wilfully omit or neglect to perform such duty, or who shall do any act prohibited herein for which punishment is not otherwise provided herein, shall, upon conviction, be imprisoned in the State prison for not less than one year nor more than ten years, or be fined in any sum not exceeding \$1,000, or may be punished by both such imprisonment and fine.

22. PROVISIONS OF ELECTION LAW NOT INCONSISTENT WITH ACT APPLY.] [§ 451, Ch. 46, R. S.] All the provisions of the election law, not inconsistent with this Act, shall apply to all the elections in the precincts where such voting machines are used. Any provisions of law which conflict with the use of such machine or machines as herein set forth, shall not apply to the precinct or precincts in which an election is conducted by the use of such machine or machines.

All absent voters ballots returned to the officer supplying the same too late to be delivered to the proper polling place before the closing of the polls on the day of election shall be endorsed by the official receiving the same with the day and hour of receipt and shall be safely kept unopened by such officer for the period of time required for the preservation of ballots used at such election, and shall then, without being opened, be destroyed in like manner as the used ballots of such election.

§ 9. OPENING ENVELOPE AND VOTING BALLOT. At the close of the regular balloting and at the close of the polls the judges of election of each voting precinct shall proceed to cast the absent voters' ballots separately, and as each absent voter's ballot is taken shall open the outer or carrier envelope, announce the absent voter's name, and compare the signature upon the application with the signature upon the affidavit on the ballot envelope. In case the judges find the affidavits properly executed, that the signatures correspond, that the applicant is a duly qualified elector in the precinct, and the applicant has not been present and voted within the county where he represents himself to be a qualified elector on such election day, they shall open the envelope containing the absent voter's ballot in such manner as not to deface or destroy the affidavit thereon, or mark or tear the ballots therein, and take out the ballot or ballots therein contained without unfolding or permitting the same to be unfolded or examined, and having endorsed the ballot in like manner as other ballots are required to be endorsed, shall deposit the same in the proper ballot box or boxes and enter the absent voter's name in the poll book the same as if he had been present and voted in person.

In case such affidavit or the certificate of the officer before whom the same is taken is found to be insufficient or that the signatures do not correspond, or that the applicant is not a duly qualified elector in such precinct or that the ballot envelope is open or has been opened and resealed, or that said voter is present and has voted within the county where he represents himself to be a qualified elector on the day of such election at such election, such previously cast vote shall not be allowed, but without opening the absent voter's envelope the judge of such election shall mark across the face thereof, "Rejected," giving the reason therefor.

In case the ballot envelope contains more than one ballot of any kind, said ballots shall not be counted, but shall be marked "Rejected," giving the reason therefor.

The absent voters' envelopes and affidavits and the absent voters' envelope with its contents unopened, when such absent vote is rejected shall be retained and preserved in the manner as now provided for the retention and preservation of official ballots rejected at such election. [Amended by Act approved June 28, 1919.]

§ 10. CHALLENGES. The challengers of the respective parties or candidates shall be permitted to be present during the casting of the absent voters' ballots and the vote of any absent voter may be challenged for cause the same as if he were present and voted in person, and the judges of the election or a majority thereof shall have power and authority to hear and determine the legality of such ballot; *provided, however*, that if a challenge to any absent voter's right to vote is sustained, notice of the same must be given by the judges of election by mail addressed to the voter's place of residence.

§ 11. BALLOT OF DECEASED VOTER. Whenever it shall be made to appear by due proof to the judges of election that any elector who has marked and forwarded his ballot as provided in this Act has died prior to the opening of the polls on the date of the election, then the ballot of such deceased voter shall be returned by the judges of election in the same manner as provided for rejected ballots above; but the casting of the ballot of a deceased voter shall not invalidate the election.

§ 12. VOTING MACHINE. In all counties, cities, towns and precincts in which voting machines are used, all the provisions of the election laws now in force and not inconsistent with the provisions of this Act relating to the furnishing of ballot boxes, printing and furnishing official ballots and supplies in such number as provided by law, the canvassing of the ballots and making the proper return of the result of the election, shall apply with full force and effect; *provided, however*, that the number of ballots to be printed shall be in the discretion of the officers charged with printing and furnishing the same in said precincts, towns, cities or counties.

§ 13. PENALTY CLAUSE. If any person shall wilfully swear falsely to any such affidavit, he shall, upon conviction thereof, be guilty of perjury and shall be punished as in such case as by law provided. If any person who, having procured an official ballot or ballots as heretofore provided, shall wilfully neglect or refuse to cast or return same in the manner heretofore provided, or shall wilfully violate any provision of this Act, he shall be guilty of a misdemeanor and shall be fined not less

than two hundred dollars, nor more than one thousand dollars or imprisoned in the county jail not less than sixty days nor to exceed one year, or both. If any county clerk or member or clerk of the board of election commissioners or any other election officer or officers shall refuse or neglect to perform any of the duties prescribed by this Act, or shall violate any of the provisions thereof, he shall upon conviction be fined not less than one hundred dollars nor more than one thousand dollars, or imprisoned in the county jail not to exceed ninety days. [Amended by Act approved June 28, 1919.]

§ 14. CONSTRUCTION OF THE STATUTE. This Act shall be deemed to provide a method of voting in addition to the method now provided by statute, and to such extent as amendatory of existing statutes relating to the manner and method of voting.

§ 15. All Acts and parts of Acts in conflict herewith are hereby repealed.

AN ACT to enable qualified electors of this State enlisted in companies or regiments organized in this State and absent from their election precincts because engaged in actual military service, to vote as a unit in certain elections.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That qualified electors of this State enlisted in companies or regiments organized in this State and absent from their election precincts on the day prescribed by law for the holding of any general election because engaged in the actual military service of the State or of the United States, shall be entitled to vote for all State officers and on all State-wide questions in any such election. The qualified electors of any such company or regiment shall vote as a group or unit, as hereinafter provided. The commanding officer of any such company or regiment shall, in his discretion, fix the number of polling places for any such election.

§ 2. Thirty days before any such election the Adjutant General shall furnish the Secretary of State with a register containing the names and addresses of all qualified electors enlisted in companies or regiments organized in this State and absent from their election precincts because engaged in the actual military service of the State or of the United States.

§ 3. The Secretary of State shall, as soon as possible after the nominations for the various State offices shall have been made, prepare official war ballots in such number as shall be necessary to supply such absent voters. Such ballots shall be sent to the commanding officer of any such absent company or regiment, together with the registry of such absent voters prepared from the report of the Adjutant General to the Secretary of State. Such ballots shall contain only the names of the candidates for State offices. If, at any such election, any proposed amendment to the Constitution or other proposition or question is to be submitted to the voters of the State, the Secretary of State shall furnish in the form prescribed by law, an equal number of ballots for the question or questions so submitted.

§ 4. The Secretary of State shall also cause to be prepared and printed, at least twice as many official envelopes as there are voters absent from election districts, as shown by such register. Such envelopes shall be gummed, ready for sealing. Upon one side of said envelope shall be printed endorsements in substantially the following form:

“OFFICIAL WAR BALLOT FOR GENERAL ELECTION.

November....., 19.....

Name of voter.....
Residence, (street and number, if any).....
County of.....
City or town of.....

Secretary of State.”

Upon the other side of said envelope shall be printed the following oath:

“OATH OF ELECTOR.

I do solemnly swear (or affirm), that I am a citizen of the United States, and am now of the age of at least twenty-one years, or will be on the.....day of....., 19.....; that I will have been an inhabitant of the State of Illinois for one year next preceding this election, and ninety days preceding such election, a resident of the county of....., and am a qualified voter residing at (street and number, if any)....., in the (city or town) of.....; that I am in the actual military (or naval) service of the State of Illinois, or of the United States, and at present attached to.....;(here state the principal command to which attached), and that I have never been convicted of any crime (or if convicted, state the time and when pardoned by the Governor of any State).

Subscribed and sworn to before me this.....day
of....., A. D. 19.....

Title of Officer.”

The Secretary of State shall also furnish poll books and necessary poll lists, tally sheets, copies of this law, and any and all other blanks and forms necessary for the conduct of such election.

§ 5. Elections in the camps shall be held not less than five nor more than twenty days prior to the general election day. The date of such election shall be fixed by the commanding officer of any command where the poll or polls of such election shall be held, by proclamation duly made. Such polls shall be opened at such hour of the day as shall be most convenient for such voters, and shall remain open not less than three hours, and as much longer as shall, in the opinion of the officers of election serving at such polls, be necessary in order to receive the votes of all voters of this State entitled to vote at such poll, but no poll shall be kept open later than sunset of the day on which said election shall be held.

§ 6. At the hour and place for the opening of the polls, the qualified voters of this State then and there present, shall, by a *viva voce* vote, select three of their own number, to act at such election as judges of election. Such judges shall, so far as possible, be so selected that they shall represent the leading political parties of this State. When so elected, they shall choose one of their number as chairman and another as clerk, by drawing lots. Such chairman shall then administer the oath of office to the other judges, and one of the judges shall then administer the same to the chairman. The oath to be administered shall be as follows:

"I do solemnly swear (or affirm), that I will support the Constitution of the United States and the Constitution of the State of Illinois, and that I will faithfully discharge the duties of the office of judge of election, according to the best of my ability."

Such oath or affirmation shall be written or printed, or partly written or partly printed, attached to or entered upon the poll books used at such election, subscribed by the persons taking the same, and certified to by the person administering the same.

§ 7. Immediately upon the organization of the board of judges the commanding officer to whom shall have been delivered any official war ballots, poll books and envelopes, shall deliver the same to the judges of election and shall take a receipt therefor, which receipt shall be forwarded by mail by such commanding officer, to the Secretary of State. Said judges shall produce and have at the polls before any votes are taken by them, a box for the reception of the ballots to be voted at such election. Before proceeding to take any votes, they shall open said box and publicly exhibit the inside thereof, and the same shall be entirely emptied. They shall then close and securely fasten the same, and said box shall not be opened again until the close of the polls at such election. Each such box shall have an opening in the top thereof for the reception of voted ballots.

The chairman of the board shall have charge of the ballot box during the election and shall receive from the qualified voters, their envelopes containing ballots, and shall deposit them in the ballot box. The other two members shall keep the poll books.

§ 8. Before any person shall receive an official ballot or be permitted to vote, he shall make and subscribe the oath printed upon the official envelope, as provided herein, and any one of the judges of election is hereby authorized to administer and attest such oath. If any voter shall refuse to take the oath so tendered, he shall not be allowed to vote, but if he shall take the oath tendered him, his vote

shall be accepted. Upon subscribing to the required oath, the voter shall state his name and residence by street and number, if any, county, city or town, which information shall be entered upon the poll books. He shall also give such other information as is required to be entered in the poll books. When such voter has given such information, the judge in charge of the polls and envelopes, shall write in the proper blank spaces upon such official envelope, the name and residence, by street and number, if any, of such voter, and the county, city or town in which he claims to reside, and shall deliver such ballot or ballots and such envelope to such voter. Such voter shall then retire to some convenient place and shall prepare his ballot and envelope for voting. After preparing his ballot, the voter shall fold his ballot in such a way that the contents of the ballot shall be concealed, and enclose the same in such envelope, which he shall securely seal. He shall then deliver such envelope to the chairman of the board of judges. Before such envelope shall be deposited in the ballot box, the chairman shall state the name of such voter, his residence, whether or not he is entitled to vote and whether or not the envelope is securely sealed. If the voter's name and other information hereby required, appear upon the poll books, the judges keeping such poll books shall so announce and record such voter as voting. The chairman shall thereupon deposit such envelope in the ballot box. Any person so voting shall not in any manner vote again for any candidate or on any question in such election.

§ 9. As soon as the polls of such election are closed, the judges shall publicly destroy all official envelopes and ballots not voted and shall then publicly open such ballot boxes and count and ascertain the number of voters voting, and shall not adjourn or postpone the count until it shall have been fully completed. The judges shall number each voter whose name is recorded in such poll books as having voted, beginning with the first name entered therein, and numbering the same in consecutive order, and shall fill out and sign the certificate to be made by them as to the whole number voting at such election. If the envelopes containing ballots found in such box shall be more than the number of such envelopes so shown by the poll books to have been deposited therein, the judges shall compare the names upon such envelopes with the names recorded in such poll books, and all such envelopes so found in said ballot box purporting to have been deposited therein by a voter whose name is not duly entered in such poll books, as herein provided, shall, with their contents, be immediately destroyed, without opening the same, and if more than one such envelope shall be found in said ballot box purporting to have been deposited therein by the same voter, then all such envelopes and their contents purporting to have been deposited in such ballot box by such voter, shall be destroyed. No such envelope without an official endorsement, as herein provided, shall be counted.

§ 10. At the completion of the count, the judges shall certify the correctness of the same upon the poll books, and shall publicly announce the number of votes cast. They shall, thereupon, enclose all such envelopes containing ballots, without opening the same, in a sealed package, with the poll books, and shall forward them to the Secretary of State, at Springfield, Illinois, as soon as possible after such election.

§ 11. Upon the receipt by the Secretary of State of the packages containing the envelopes and poll books, he shall at once forward such envelopes to the county clerk of the respective counties wherein reside such voters absent in military service. Each county clerk shall deliver all envelopes so received from the Secretary of State to the county canvassing board at the time of its regular meeting, and such board shall count all the ballots enclosed in such envelopes and make abstracts of the same, which abstracts shall be sent to the Secretary of State, to be canvassed in the manner provided by law for the canvassing of other votes. Such abstracts shall be made and sent to the Secretary of State in accordance with the provisions of sections 71 and 76 of an Act entitled, "An Act in regard to elections, and to provide for filling vacancies in elective offices," approved April 3, 1872, in force July 1, 1872, as subsequently amended.

Any such ballots may be rejected for cause by the county canvassing board.

§ 12. If any person shall wilfully swear falsely to any affidavit herein provided for, he shall, upon conviction thereof, be deemed guilty of perjury, and shall be punished as in such case by law provided. If any election officer shall refuse or neglect to perform any of the duties prescribed by this Act, or shall violate any of the provisions thereof, or if any officer taking any of the affidavits provided for herein, shall make any false statement in his certificate thereto attached, he shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine not exceeding one hundred dollars (\$100.00) or by imprisonment in the county jail, not exceeding thirty (30) days, or by both such fine and imprisonment.

§ 13. The general election laws to the extent that the same are not inconsistent with the provisions of this Act shall govern and control all elections under this Act.

Immediately opposite and in front of the name of each candidate shall be printed a square and all squares upon the primary ballot shall be of uniform size. and if, at any time before or during the primary, ballots of any precinct shall be lost, destroyed or exhausted, on written application, signed by the primary judges of said precinct, or any of them, he shall immediately cause to be delivered to said primary judges such supply of extra ballots as may be required to comply with the provisions of this Act.

§ 41. Upon the opening of the polls one of the primary judges shall make proclamation of the same. And at least thirty minutes before the closing of the polls proclamation shall be made in like manner that the polls will be closed in half an hour.

§ 42. Before voting begins, the ballot box shall be emptied and it shall be opened and shown to those present to be empty, after which it shall be locked and the key delivered to one of the primary judges, and such ballot box shall not be removed from public view from the time it is shown to be empty until after the close of the polls.

§ 43. Every person having resided in this State one year, in the county ninety days, and in the precinct thirty days next preceding any primary therein, who was an elector in this State on the first day of April in the year of our Lord 1848, or obtained a certificate of naturalization before any court of record in this State prior to the first day of January, in the year of our Lord 1870, or who shall be a male citizen of the United States above the age of twenty-one years, shall be entitled to vote at such primary: *Provided, however,* that all women citizens of the United States above the age of twenty-one years having resided in the State one year, in the county ninety days, and in the election district thirty days, next preceding any primary election held therein, may vote at such primary for the nomination of candidates for such offices as such women may vote for at the election for which such primary is held.

Separate ballot boxes and ballots shall be provided for women, which ballots shall contain the names of candidates for nomination for such offices which are to be voted for.

The following regulations shall be applicable to primaries:

No person shall be entitled to vote at a primary:

(a) Unless he declares his party affiliation as required by this Act;

(b) Who shall have signed the petition for nomination of a candidate of any party with which he does not affiliate, when such candidate is to be voted for at the primary;

(c) Who shall have signed the nominating papers of any independent candidate for any office for which office candidates for nomination are to be voted for at such primary; or

(d) If he shall have voted at a primary held under this Act of another political party within a period of two years next preceding such primary: *Provided,* participation by a primary elector in a primary of a political party which, under the provisions of section 2 of this Act, is a political party within a city only and entitled hereunder to make nominations of candidates for city offices only, and for no other office or offices, shall not disqualify such primary elector from participating in other primaries of his party: *And, provided,* that no qualified voter shall be precluded from participating in the primary of any purely city, village or town political party under the provisions of section 2 of this Act, by reason of such voter having voted within two years at the primary of another political party.

In cities having a board of election commissioners, the following additional regulations shall be applicable:

In such cities only voters, registered as herein provided, shall be entitled to vote at such primary. The registration books prepared for and used at the election then next preceding shall be used for the primary, and any person therein registered shall be entitled to vote at the primary unless he shall have removed from the election precinct or become otherwise disqualified. In any such city having a population of less than two hundred thousand, any person whose name does not appear on the registry books who is, or shall, at or before the primary become a primary elector of the precinct in which he desires to vote, shall be entitled to vote at such primary by filing, or causing to be filed with the board of election commissioners, twenty days prior to a primary, an affidavit, or affirmation, specifying the facts showing that on the date of such primary he will be a legally qualified primary elector in the precinct in which he desires to vote.

Such affidavit, or affirmation for registration shall state the name of the applicant, the place and date of his nativity, the term of his residence at his then present address, in the precinct, county, State and United States, the fact of his naturalization, if the applicant is a naturalized citizen, specifying the court, if known, or if not known, the city in which the court was held where such citizen was naturalized, and the residence when last registered, if the applicant was previously registered. It shall be the duty of the board of election commissioners to prepare proper forms of such affidavit, or affirmation.

Upon the filing of such affidavit, or affirmation, the board of election commissioners shall place the name of such primary elector in the original registration books for the proper precinct, specifying the precinct from which he is transferred, if previously registered in another precinct, and shall also make a minute opposite his name in the original registration books of the precinct from which he was removed, showing the precinct to which his name is transferred, or, as the case may be, shall add the name of such primary elector in the original registration books for the proper precinct and the reason of the registration thereof.

At least five days prior to the date of the primary, the board of election commissioners shall cause to be posted at each polling place in each precinct, in a book substantially in the form now used for "verification lists," under the general election laws of this State, the name and address of each primary elector who has been registered for the primary by having filed an affidavit, or affirmation, as above set forth.

In any such city having a population of two hundred thousand or more, and in any incorporated town, under the jurisdiction of such board of election commissioners the said registration books shall be revised three weeks preceding such primaries under the direction of said board of election commissioners in the same manner as is now provided by law for intermediate registration in cities having boards of election commissioners: *Provided*, that when an intermediate registration and revision is now provided for by law to be held within thirty days prior to such primary election then such intermediate registration and revision shall be the registration and revision for such primary election.

Any primary elector of a precinct may, on the eleventh and twelfth

days immediately preceding the primary, file with the board of election commissioners an application, signed and sworn to by him, requesting the name of a person registered on the registration books as herein provided, shall be erased therefrom, for the reason that such person so registered is not, or will not on or before the day of the primary, be a legal primary elector of the precinct, which application shall be in substance, in the words and figures following:

"I,....., do hereby solemnly swear (or affirm) that I am informed and believe that..... is not a qualified voter in the..... precinct of the..... ward of the city (village or town) of..... and that said..... will not be a qualified voter of such precinct and ward on the..... day of....., A. D....., and hence ask that his name be erased from the registers of such precinct."

Notice of such application with a demand to appear and show cause why such name should not be erased, shall thereupon be given to such person by the board of election commissioners. Such notice shall be served upon such person personally, or left at the place of residence named in such registration books, and a copy thereof shall be sent by mail, postage prepaid, at least two days before the day fixed, to show cause, addressed to the person whose right to vote is challenged, at the address given in such registration books. In case personal service cannot be had, the return of the board of election commissioners shall so state and the reason therefor.

On Monday, Tuesday and Wednesday next preceding the primary, the board of election commissioners shall sit to hear such application by wards and precincts in the numerical order. At the request of either party, subpoenas shall be issued, and witnesses may be sworn and heard upon such hearing. Each person appearing in response to an application to erase a name shall subscribe and swear to an answer in the presence of a member of the board of election commissioners, substantially in the following form:

"I,....., do solemnly swear that I am a citizen of the United States; that I have resided in the State of Illinois since the..... day of....., A. D....., and in the county of..... said state, since the..... day of....., A. D....., and in the..... precinct of the..... ward, in the city of....., said county and state, since the..... day of....., A. D.....; and that I am..... years of age; that I am the identical person registered in the said precinct for the primary under the name I subscribe hereto."

Such answer shall be filed with the board of election commissioners.

The decision on each application shall be announced at once after hearing, and where such application is allowed, such name shall be erased forthwith.

The County Court of the county in which such city is situated shall on Friday and Saturday of the week prior to the week in which such primary is to be held, especially sit to hear such application as may be made to it by persons whose names have been stricken from the registry list as above provided. Such application shall be sworn to and shall state that the board of election commissioners has stricken such name

from the registry list. Such application shall be heard summarily and evidence may be introduced for or against such application. Each case shall be decided at once on hearing, and the clerk of the court shall make a minute of the disposition of each application. A copy of such minute shall at once be given to such board of election commissioners, and, when such minute indicates that the name of the applicant shall be restored to the registry, the board of election commissioners shall forthwith cause such name to be placed upon the appropriate register, and indicate that it was interred [entered] by order of court.

In case such County Court shall refuse such application, an order shall be entered accordingly, on the Monday following the session of the court held for the purpose aforesaid, and any person desiring to appeal from the said order may appeal to the Supreme Court of the State, if the application be made therefor within five days after the entry of said court, and such appeal shall be allowed on the giving of an appeal bond in the penalty of \$250.00, conditioned to pay the expenses of such appeal. The time for filing such appeal bond and certificate of evidence shall be fixed by the court, and upon presentation to the court of a certificate containing the evidence heard at such hearing, within the time fixed by the court, the court shall sign the same, and thereupon the same shall become part of the record in said cause.

The original registration books, revised as herein provided, shall constitute the primary registration.

§ 44. Any person desiring to vote at a primary shall state his name, residence and party affiliation to the primary judges, one of whom shall thereupon announce the same in a distinct tone of voice, sufficiently loud to be heard by all persons in the polling place. If the person desiring to vote is not challenged, one of the primary judges shall give to him one, and only one, primary ballot of the political party with which he declares himself affiliated, on the back of which such primary judge shall endorse his initials in such manner that they may be seen when the primary ballot is properly folded. If the person desiring to vote is challenged he shall not receive a primary ballot from the primary judges until he shall have established his right to vote as hereinafter provided. No person who refuses to state his party affiliation shall be allowed to vote at a primary [primary].

§ 45. Whenever a person offering to vote at a primary is challenged, the person so challenged shall make and subscribe an affidavit in the following form, which shall be presented to and retained by the primary judges and clerks, and returned by them with the primary poll books:

State of Illinois }

 were, at such city, village or town primary, printed on the primary

In addition to such affidavit the person so challenged shall produce
 the affidavit of one householder of the precinct, who shall be a qualified
 voter at such primary, and who shall be personally known or proved to
 the judges to be a householder in the precinct, which affidavit shall be
 in the following form:

 primary; that I verily believe he is a member of and affiliated with the

.....
 Judge of Primary.

§ 46. On receiving from the primary judges a primary ballot of
 his party, the primary elector shall forthwith and without leaving the
 polling place, retire alone to one of the voting booths and prepare such
 primary ballot by marking a cross (X) in the square in front of and
 opposite the name of each candidate of his choice for each office to be
 filled. At the primary at which a precinct committeeman is to be
 elected the primary elector may write or attach at the bottom of his
 primary ballot in the space provided for that purpose, the name of one
 primary elector of his precinct, member of and affiliated with his politi-
 cal party, for precinct committeeman. No other mark or designation
 shall be necessary to indicate the primary elector's choice for precinct
 committeeman.

Any primary elector may, instead of voting for any candidate for
 nomination or for committeeman whose name is printed on the primary

ballot, write in the name of any other person affiliated with such party as a candidate for the nomination for any office, or for committeeman, and indicate his choice of such candidate or committeeman by placing to the left of and opposite the name thus written a square and by placing in the square a cross (X). And at the primary at which precinct committeemen are to be elected he shall write at the bottom of his primary ballot, in the space provided for that purpose, the name of one primary elector of his precinct, member of and affiliated with his political party, for precinct committeeman. No squares need be placed in front of the names of persons so voted for, for precinct committeemen.

§ 47. Before leaving the booth, the primary elector shall fold his primary ballot in such manner as to conceal the marks thereon. Such voter shall then vote forthwith by handing the primary judge the primary ballot received by such voter. Thereupon the primary judge shall deposit such primary ballot in the ballot box. The primary clerk shall thereupon enter in the primary poll book the name of the primary elector, his residence and his party affiliation.

§ 48. Any primary elector who may declare upon oath that he cannot read the English language, or that by reason of any physical ability [disability] he is unable to mark his ballot, shall, upon request, be assisted in marking his primary ballot in the same manner as provided by the general election laws of this State.

§ 49. After the opening of the polls at a primary no adjournment shall be had nor recess taken until the canvass of all votes is completed and the returns carefully enveloped and sealed.

§ 50. The votes shall be canvassed in the room or place where the primary is held and the primary judges shall not allow the ballot box or any of the ballots, or the primary poll book, or any of the tally sheets to be removed or carried away from such room or polling place until the canvass of the votes is completed and the returns carefully enveloped and sealed.

§ 51. If the primary elector marks more names upon the primary ballot than there are persons to be nominated as candidates for an office, precinct or ward committeeman, or if for any reason it is impossible to determine the primary elector's choice of a candidate for the nomination for an office, or committeeman, his primary ballot shall not be counted for the nomination for such office or committeeman.

No primary ballot, without the endorsement of the judge's initials thereon, shall be counted. Any judge wilfully omitting to endorse his initials on a primary ballot as required by this Act shall be guilty of a misdemeanor and punishable by a fine not exceeding one hundred dollars for each offense.

Primary ballots not counted shall be marked "defective" on the back thereof; and primary ballots to which objections have been made by either of the primary judges or challengers shall be marked "objected to" on the back thereof; and a memorandum, signed by the primary judges, stating how it was counted, shall be written on the back of each primary ballot so marked; and all primary ballots marked "defective" or "objected to" shall be enclosed in an envelope and securely sealed, and so marked and endorsed as to clearly disclose its contents.

All primary ballots not voted, and all that have been spoiled by voters while attempting to vote, shall be returned to the proper clerk,

by the primary judges, and a receipt taken therefor, and shall be preserved three months. Such official shall keep a record of the number of primary ballots delivered for each polling place, and he or they shall also enter upon such record the number and character of primary ballots returned, with the time when and the persons by whom they were returned.

§ 52. Immediately upon closing the polls, the primary judges shall proceed to canvass the votes in the manner following:

(1) They shall separate and count the ballots of each political party;

(2) They shall then proceed to ascertain the number of names entered on the primary poll books under each party affiliation;

(3) If the primary ballots of any political party exceed in number the names of voters of such political party entered on the primary poll books, the primary ballots of such political party shall be folded and replaced in the ballot box, the box closed, well shaken and again opened and one of the primary judges, who shall be blindfolded, shall draw out and destroy so many of the primary ballots of such political party as shall be equal to such excess;

(4) The primary judges shall then proceed to count the primary ballots of each political party separately; and as the primary judges shall open and read the primary ballots, each primary clerk shall carefully and correctly mark upon the tally sheets the votes which each candidate of the party whose name is written or printed on the primary ballot has received, in a separate column for that purpose, with the name of such candidate, the name of his political party and the name of the office for which he is a candidate for nomination at the head of such column.

§ 53. As soon as the ballots of a political party shall have been read and the votes of said political party counted as provided in the last above section, the primary clerk shall foot up the tally sheets so as to show the total number of votes cast for each candidate of said political party and for each candidate for or [] ward or precinct committeeman. Thereupon the primary judges shall set down in the primary poll books, under the name of said political party, the name of each candidate voted for upon the primary ballot, written at full length, the name of the office for which he is a candidate for nomination or for committeeman, the total number of votes which said candidate receives, and the primary poll books shall be substantially in the following form:

Judges of Primary.

§ 54. After the votes of a political party have been counted and set down and the tally sheets footed and the entry made in the primary poll books, as above provided, all the primary ballots of said political party, except those marked "defective" or "objected to" shall be strung upon a strong thread or twine separately for each political party in the order in which said primary ballots have been read, and shall thereupon be carefully sealed in an envelope, which envelope shall be endorsed as follows:

"Primary ballots of the.....party of the.....precinct of the county of.....and State of Illinois."

Below each endorsement, each primary judge shall write his name.

§ 55. The primary poll books, with the certificates of the primary judges written thereon, and the tally sheets, together with the envelopes containing the ballots, shall be carefully enveloped and sealed up together, properly endorsed and put into the hands of the primary judges, who shall, within forty-eight hours thereafter, deliver the same to the clerk from whom the primary ballots were obtained, which clerk shall safely keep the same for three months.

§ 56. As soon as complete returns are delivered to the proper clerk, the returns shall be canvassed as follows:

(1) In the case of the nomination of candidates for city offices, by the mayor, the city attorney and the city clerk;

(2) In the case of nomination of candidates for village offices, by the president of the board of trustees, one member of the board of trustees, and the village clerk;

(3) The officers who are charged by law with the duty of canvassing returns of general elections made to the county clerk shall also open and canvass the returns of a primary made to such county clerk. Upon the completion of the canvass of the returns by the county canvassing board, said canvassing board shall make a tabulated statement of the returns for each political party, separately, stating in appropriate columns and under proper headings, the total number of votes cast in said county for each candidate for nomination by such party, including ward and precinct committeemen. Within two days

after the completion of said canvass by said canvassing board the county clerk shall mail to the Secretary of State a certified copy of such tabulated statement of returns: *Provided, however*, that the number of votes cast for the nomination for offices, the certificates of election for which offices, under the general election laws, are issued by the county clerk shall not be included in such certified copy of said tabulated statement of returns.

(4) In the case of the nomination of candidates for offices, certified tabulated statement of returns for which are filed with the Secretary of State, such returns shall be canvassed by the Governor, Secretary of State and State Treasurer.

(5) Where in cities and villages which have a board of election commissioners, the returns of a primary are made to such board of election commissioners, said returns shall be canvassed by such board, and, excepting in the case of the nomination of candidates for any city of [or] town office in such city, tabulated statements of the returns of such primary shall be made to the county clerk.

§ 57. Each of said canvassing boards, respectively, shall, upon completion of the canvassing of the returns, make proclamation of the result of said primary for each political party, and shall make and execute a certificate, and unless a notice of contest shall have been filed with said canvassing board ten days after completion of the canvass, shall file such certificates in the office of the Secretary of State, or in the office of the clerk whose duty it is to print the official ballot for the election for which the nomination is made, as the case may be, stating therein the name of each candidate for each political party so nominated or elected, as shown by the returns, together with the name of the office for which he was nominated or elected. In case a notice of contest shall be filed with any canvassing board, such canvassing board shall withhold its certificate until a certified copy of the decree or order of the court hearing such contest shall have been filed with such canvassing board. The said canvassing board shall, within one day after receiving a certified copy of said decree or order, proceed to finish the canvass of the returns as corrected by such decree and make proclamation accordingly.

Upon the filing of said certificate in the office of the Secretary of State, or in the office of the proper clerk, as the case may be, the Secretary of State or the proper clerk, as the case may be, shall within one day thereafter, issue a certificate of nomination to each of the candidates so proclaimed nominated.

§ 58. The person receiving the highest number of votes at a primary as a candidate of a party for the nomination for an office, shall be the candidate of that party for such office, and his name as such candidate shall be placed on the official ballot at the election then next ensuing: *Provided*, that where there are two or more persons to be nominated for the same office, or board, the requisite number of persons receiving the highest number of votes shall be nominated and their names shall be placed on the official ballot at the following election.

In the case of candidates for nomination for members of the board of assessors, where five are to be elected, four of whom are to be elected from any one city and the city has the requisite number, then the can-

didate for nomination living outside of such city having the highest number of votes of his party shall be nominated and his name shall be placed on the official ballot at the following election.

When two or more persons receive an equal number of votes for the nomination for the same office or for committeeman of the same political party, or where more than one person of the same political party is to be nominated as a candidate for office or committeeman, if it appears that more than the number of persons to be nominated for an office or elected committeeman have the highest and an equal number of votes for the nomination for the same office or for election as committeeman, the board by which the returns of the primary are canvassed shall decide by lot which of such persons shall be nominated or elected, as the case may be. In such case such canvassing board shall issue notice in writing to such persons of such tie vote, stating therein the place, the day (which shall not be more than five days thereafter), and the hour when such nomination or election shall be so determined.

§ 59. When the nomination is made for an office to be filled by the electors of an entire county, and where it is the duty of the county clerks to prepare the official ballot for election, it shall be the duty of the county clerk, under this Act, to place upon the official ballot to be voted at the election the names of all candidates nominated for office, as herein provided, as shown by the certificate of the canvassing board on file in this office, and the names of all candidates certified to him by the Secretary of State, as herein provided.

When the nomination is made for an office to be filled by the electors of an entire city or village, including alderman, and where it is the duty of the city or village clerk to prepare the official ballot for the election, it shall be the duty of the city or village clerk, under this Act, to place upon the official ballot to be voted at the election the names of all candidates nominated for office, as herein provided, as shown by the certificate of the canvassing board on file in his office.

When the nomination is made for an office to be filled by the electors of an entire town, and where it is the duty of the town clerk to prepare the official ballot for the election, it shall be the duty of the town clerk, under this Act, to place upon the official ballot to be voted at the election, the names of all candidates nominated for office, as herein provided, as shown by the certificate of the canvassing board on file in his office.

Not less than fifteen days before an election to fill any office, the Secretary of State shall certify to the county clerk of each county within which any of the electors may, by law, vote for such candidates for such offices, the name and description of each person nominated for such office, as shown by the certificate of the canvassing board on file in his office.

§ 59a. It shall be the duty of the permanent chairman and the permanent secretary of each convention at which candidates are nominated for public offices to cause a certificate of nomination to be duly filed in the proper office. Each certificate of nomination shall specify:

- (1) The name of the candidate or candidates nominated;

(2) The place of residence, with the street number thereof, if any, of each candidate nominated;

(3) The office to which he is nominated;

The certificate of nomination of candidates for county offices shall be filed in the office of the county clerk at least thirty days before the day of the election. Each such certificate shall be sworn to by the permanent chairman and the permanent secretary of the convention at which the nomination was made to be true to the best of their knowledge and belief, and a certificate of the oath shall be annexed to the certificate of nomination.

§ 60. Whenever a special election shall be necessary the provisions of this Act shall be applicable to the nomination of candidates to be voted for at such special election. The officer or board or commission whose duty it is under the general election laws of this State to call an election, shall fix a date for the primary for the nomination of such candidates to be voted for at such special election as are required to be nominated by a primary election. Where candidates at a regular election are required to be nominated by conventions, the convention to nominate such candidates for a special election shall be called by the managing committees of the respective political parties for the territorial area in which such vacancy occurs. At least fifteen days notice shall be given of such primary or convention.

In case a candidate who has been nominated under the provisions of this Act shall die before election, or decline the nomination, or should the nomination for any other reason become vacant, the managing committees of the respective political parties for the territorial area in which such vacancy occurs shall nominate a candidate or candidates of the respective parties to fill such vacancy on the ticket.

§ 60a. In case any State, precinct or ward committeeman shall die, resign or refuse to accept the position for which he is elected, or shall remove from the district, precinct or ward which he was elected to represent, the vacancy thus created, and all vacancies in any such office arising from any cause, shall be filled by appointing a duly qualified voter of the party residing in the district wherein such vacancy occurs. To fill vacancies in the office of State committeeman, the appointment shall be made by the State central committee of the party; to fill vacancies in the office of precinct committeeman, the appointment shall be made by the county committee: *Provided*, that when such vacancies occur in incorporated cities or villages having two hundred thousand or more inhabitants, the appointment shall be made by the ward committeeman of the ward wherein such vacancy occurs; to fill vacancies in the office of ward committeeman, the appointment shall be made by the precinct committeemen of the ward wherein the vacancy occurs at a meeting of such committeemen called for that purpose by the chairman of the county committee.

§ 61. In cities having a board of election commissioners the duties herein imposed upon the county, city or village clerk, as the

case may be, shall be discharged by the board of election commissioners in the same manner, as near as may be, and to the same extent and with like effect that the similar duties imposed by this Act are discharged by the county, city or village clerk, as the case may be; and the ballots for the nomination of all candidates to be voted for in such city shall be printed by the board of election commissioners and the returns of the primary held in such city shall be made to such board of election commissioners.

§ 62. Any candidate whose name appears upon the primary ballot of any political party in any precinct may contest the election of the candidates nominated by his political party, upon the face of the returns, if he so desires, and may, in said county or any of the precinct [precincts] thereof as to the office for which he was a candidate, contest the election in such county or precinct by filing with the clerk of the County Court, except in the case of candidates for the nomination for State and Congressional offices and for the office of county judge, a petition in writing, setting forth the grounds of contest, which petition shall be verified by the affidavit of the petitioner or other person, and which petition shall be filed within five days after the completion of the canvass of the returns. The contestant shall also file with the canvassing board, which canvasses the returns for such nomination (and if for the nomination for an office, certified tabulated statements of the returns of which are to be filed with the Secretary of State), also with the county canvassing board, a notice of the pendency of the contest. In the case of a contest for the nomination for State and Congressional offices and for the office of county judge, said petition shall be filed in the office of the clerk of the Circuit Court.

Authority and jurisdiction are hereby vested in the County Court or in the judge thereof in vacation, or in the Circuit Court or in the judges thereof in vacation, as the case may be, to hear and determine primary contests. When a petition to contest a primary shall be filed in the office of the clerk of the court, said petition shall forthwith be presented to the judge thereof, who shall note thereon the date of presentation, and shall also note thereon the day when he will hear the same, which shall not be more than five days thereafter, and shall order issuance of summons to each defendant named in the petition.

Summons shall forthwith issue to each defendant named in the petition and shall be served in the same manner as is provided in cases in chancery. Summons may be issued and served in any county in the State. The case may be heard and determined by the County or Circuit Court in term time, or by the judges thereof in vacation, at any time not less than three days after service of process, and shall have preference in the order of hearing to all other cases. The petitioner shall give security for all costs.

If, in the opinion of the court, in which the petition is filed, the grounds for contest alleged are insufficient in law, the petition shall be dismissed. If the grounds alleged are sufficient in law, the court shall proceed in a summary manner and may hear evidence, examine the returns, recount the ballots and make such orders and enter such judgment as justice may require. The court shall ascertain and declare by a decree, as in chancery to be entered of record in the proper court, the result of such election in the territorial area for which the contest

is made. The judgment of the court shall be final. A certified copy of said decree shall forthwith be made by the clerk of the court and transmitted to the board canvassing the returns for such office; and in case of contest, if for nomination for an office, tabulated statements of returns for which are filed with the Secretary of State, also in the office of the county clerk in the proper county. The proper canvassing board, or boards, as the case may be, shall correct the returns or the tabulated statement of returns in accordance with said decree.

§ 64. No spirituous, malt, vinous or intoxicating liquor shall be sold or given away, nor shall any saloon, bar-room or place where such liquor is sold or given away be open during the holding of any primary. It shall be the duty of the sheriff, constable, coroner and other officers of the county, the magistrates and mayors of cities to see that the provisions of this section are enforced.

§ 65. If any person whose vote is challenged, or any witness sworn under the provisions of this Act, shall knowingly, wilfully and corruptly swear falsely, he shall be deemed guilty of perjury and on conviction thereof shall be punished accordingly.

§ 66. (1) Whoever unlawfully votes more than once at any primary or offers to vote after having once voted at such primary, or knowing that he is not a qualified elector at a primary, wilfully votes at such primary, shall, on conviction thereof, be fined in a sum not exceeding one thousand dollars, or imprisoned in the county jail not exceeding one year, or both, in the discretion of the court.

be sentenced to disfranchisement by the judge of such court for a term of not less than five and not more than fifteen years, and to the county jail not less than three months or more than one year, and to pay the cost of prosecution and stand committed to the county jail until such costs are fully paid. That for a conviction of a second offense under this section, the first being alleged and proved, such offender shall be by sentence of the court forever thereafter disfranchised and deprived of the right to vote at a primary in this State, and be imprisoned in the county jail not less than one year, and be committed to jail in default of the payment of costs of prosecution until such costs are fully paid. Prosecutions may be had under this section by indictment in the Circuit Court, or by information in the County Courts, and the effect of a sentence of disfranchisement in either of said courts, both having jurisdiction of offenses hereunder, shall be to deprive such persons sentenced of the right to vote at any primary within this State for a period of time fixed by the court where such person shall be convicted under this section. Solicitations of any person, or giving of a loan of money, of the purchase of anything of value, or any other subterfuge, shall be deemed a violation thereof.

§ 68. Whoever is disorderly at a primary shall forfeit a sum not exceeding twenty-five dollars.

§ 5. SENATORIAL COMMITTEE—HOW ELECTED.] There shall be constituted a senatorial committee for each senatorial district: *Provided, however,* that nothing herein contained shall prevent a political party from electing or appointing in accordance with its practice any other committees.

§ 12. CANVASS OF VOTES—HOW COUNTED.] The votes for the nomination of candidates for Representative in the General Assembly shall be canvassed in the following manner:

(1) When a cross is placed in the squares preceding the names of three (3) candidates and the ballot for Representatives in the General Assembly is not otherwise marked it shall be counted as one vote for each candidate.

(2) When a cross is placed in the squares preceding the names of two candidates, and the ballot for Representative in the General Assembly is not otherwise marked, it shall be counted as one and one-half ($1\frac{1}{2}$) votes for each of such candidates.

(3) When a cross is placed in the square preceding the name of one candidate, and the ballot for Representative in the General Assembly is not otherwise marked, it shall be counted as three (3) votes for such candidate.

(4) When the ballot has been so marked as to indicate the intention to cast more than three votes for the nomination of candidates for Representatives in the General Assembly, such ballot shall not be counted for any of such candidates.

The requisite number of persons receiving the highest number of votes as candidates of their party in any county, or senatorial district, as the case may be, for senatorial committeemen, shall be declared elected senatorial committeemen from such county, or senatorial district.

If the primary elector marks more names upon the primary ballot than there are persons to be nominated as candidates for State Senator or for senatorial committeeman, or if, for any reason it is impossible to determine the primary elector's choice of a candidate for the nomination for State Senator or senatorial committeeman, his primary ballot shall not be counted for the nomination for such office or committeeman.

§ 13. RETURNS OF PRIMARY—CANVASS, CERTIFICATION, TABULATION—CONTESTS.] Except as herein otherwise expressly provided, each, every and all of the provisions of any Act relating to the holding of primary elections by political parties, passed by this extraordinary

session of the General Assembly, and Acts hereafter passed amendatory thereof shall, so far as the same may be applicable, apply to and govern primary elections and contests thereof held under the provisions of this Act. The returns of such primary shall be made to the county clerk or board of election commissioners, as the case may be, and shall be canvassed and certified as other returns made to the county clerk or board of election commissioners, as the case may be. The county canvassing board, or the board of election commissioners, as the case may be, shall issue a certificate of election to the requisite number of persons of each political party shown by the returns to be elected members of the senatorial committee.

Tabulated statements of the returns of the primary for the nomination of candidates for senatorial offices shall be made to the Secretary of State, canvassed by the State Primary Canvassing Board, proclamation of the result thereof made, and certificates of nomination issued, as in the case of other tabulated statements of returns made to the Secretary of State, and the election of any person nominated or of senatorial committeeman may be contested by filing with the clerk of the Circuit Court a petition in writing and filing notice in writing with the proper canvassing boards as required by the Acts last referred to and the pains and penalties prescribed in the Acts last referred to shall apply to and govern all elections held under this Act. [As amended by Act approved June 27, 1913.

§ 14. INDEPENDENT CANDIDATE.] Nothing in this Act contained shall be construed to prevent the nomination of independent candidates by petition, as is now or may hereafter be provided by law.

ARTICLE XXVII.

NOMINATION OF JUDGES OF SUPERIOR COURT OF COOK COUNTY, AND CIRCUIT JUDGES.

AN ACT to provide for the nomination by political parties of judges of the Superior Court of Cook County and of all circuit judges.

§ 1. PROVIDES FOR SELECTION OF DELEGATES TO JUDICIAL CONVENTIONS.] That candidates of any political party as defined in section two of an Act entitled, "An Act to provide for the holding of primary elections by political parties," approved March 9, 1910, in force July 1, 1910, for the office of judge of the Circuit Court in any county of the State of Illinois, and for the office of judge of the Superior Court of Cook County, shall be nominated at a convention of delegates of such party.

If any such judge or judges are to be elected in any circuit or territory comprised of only one county, the delegates to such convention shall consist of the members of such party's county convention as created by section 10 of said Act, as amended by an Act approved June 30, 1913, in force July 1, 1913.

If any judge or judges of the Circuit Court are to be elected in any circuit comprising more than one county, such convention shall be composed of delegates from the several counties comprising the circuit. Each county shall be entitled to one delegate for every four hundred voters or major fraction thereof cast in such county for the candidate for Governor of the political party holding the convention, at the last

preceding election for Governor; and such delegates from each county shall be selected by the county committee of that county. [As amended by Act approved and in force April 25, 1919. L. 1919, p. 511.]

§ 2. CONVENTION—PLACE OF HOLDING.] Such conventions shall be convened at the county seat of the county, when such circuit is included in one county. If such circuit includes more than one county, it shall meet at the county seat of the county having the largest population but a majority of the delegates constituting such convention may designate the place within such circuit that such convention shall be held.

§ 3. CONVENTION—CALL—TIME, ETC.] At least 75 days prior to the time such judges are to be elected, the chairman of the county central committee respectively of each political party (or in case a circuit comprises more than one county then the chairman of the county central committees of such counties comprised within said circuit, or a majority thereof) shall file in the office of the Secretary of State a call for the conventions of their respective parties for nominating such judicial candidates to be voted for at such election. Said call shall state, among other things, the time and place, (designating the building and hall) for holding such convention. The time designated for holding such convention shall be not more than 60 days nor less than thirty-one days before said election. Should any county chairman fail to make the call herein provided or should the chairman of the county central committees (in the event that any such circuit comprises more than one county) fail to agree upon a place for such convention or to make a call therefor as herein provided, at least seventy-five days before said election, then the Secretary of State shall immediately upon such failure himself make the call as herein provided.

§ 4. DELEGATES—VOTES ALLOWED.] Each of the delegates to such convention shall have one vote, and one additional vote for each fifty (50) votes, or major fraction thereof, of his party, cast in his precinct or political subdivision for Governor at the last general election.

§ 5. CERTIFICATION OF NOMINATIONS.] All such nominations made by such conventions shall be duly certified to the Secretary of State by the presiding officer thereof, and when certified shall be placed upon the official ballot to be voted for at said election. Not less than fifteen days before said election the Secretary of State shall certify to the county clerk of each county within which the electors may by law vote for such candidates as may be nominated hereunder, the name of the person or persons nominated for such office as shown by the certificate of such presiding officer on file in his office.

§ 6. REPEAL.] All laws, and parts of laws, inconsistent herewith are hereby repealed.

APPROVED JUNE 25, 1917.
